## OVERWORKED MOTHERS

We all know them. Mothers who in their anxiety to keep their homes neat and attractive and their little ones as well dressed as their playmates, toil on day in and day out, sweeping, dusting, mending and cooking, often suffering from back-ache, pain in side, headache, nervousness, sleeplessness, all symptoms of more serious ailments. Thousands of such women have found relief from such suffering by taking Lydia E. Pinkham's Vegetable Compound, as is evidenced by the letters of recom-mendation continually being pub-lished in this paper. For nearly fifty years this old-fashioned root and herb medicine has been restoring ailing women to health and strength.—Advt

The company will maintain the usual high standard of colonist car equipment this year with cars for the exclusive use of ladies, children and their escorts, while lunch counter cars in which hot meals, refreshments, etc., may be obtained at most reasonable rates will also be attached to all trains.

Because the Canadian Pacific is the shortest route to Western Canada and due to the efforts of the company to have the harvesters spread over as much territory as possible in a minimum space of time, it is expected from the numerous inquiries received, that a number of Due to the fact that the Canadian
