MAIL ORDERS
We solicit out of town orders which
receive our personal attention. The
length of time taken to fill orders is
governed very largely by how busy we
are in the department of our factory
in which the particular goods are
made. While we have exceptional
facilities for promptly turning out
goods, it is important to place orders
as far ahead as possible. Orders are
filled by us in the rotation in which
they are received, and customers can
always depend on our doing everything
in reason to give prompt despatch.

LEGISLATURE OPENS TODAY AT FREDERICTON

W. B. Dickson, M. P. P. For Al-
bert is Said to be the Choice
For the Speakership

Fredericton, N. B., Feb. 25.—The
provincial government was in session
yesterday preparatory to the opening
of the legislature, which will take
place Thursday afternoon. Chief Jus-
tice McLeod will swear in the two mem-
bers—P. A. Cottrill, of York,
and R. W. Grimmer, of Charlotte—at
noon on that day. A speaker is to be
elected on account of the admission of
Hon. George A. B. Dickson, M. P. P.,
for Albert is understood to be the man
selected for that position.

Many members of the legislature
have arrived here preparatory to the
session. A lively session with interest-
ing developments is expected, particu-
larly in view of recent occurrences in
York where James E. Finner, M. P. P.,
and Dr. O. E. Morhouse, M. P. P.,
have from the McLeod-Guthrie wing
of the Conservative party. It is said
to be possible that members from
other parts of the province will also
pursume an independent course.

THE NEED OF LIFE SAVING STATIONS

Not a Single Station For The
Gaspé Coast or Gulf of
St. Lawrence

Last Friday in the House of Com-
mons, Mr. Macell brought to the notice
of the Minister of Marine and Fish-
eries the need of Life Saving Stations
on the Gulf of St. Lawrence. Mr. Mac-
cell in the course of his remarks said:

I have sent in for the report of a
select committee of thirty years ago
on the question of winter navigation to
Gaspé and also on the St. Law-
rence. That committee heard evidence
from a large number of experienced
men showing that even at that time
winter navigation was recognized as
quite feasible. So this is nothing new,
the only question is whether it is
pay to invest in the vessels, required
for such a service. As Mr. Barren
has very well said, Canada has lost a great
deal of its trade in the winter by the
fact that the moment navigation closes
down in Montreal and Quebec, busi-
ness goes south. Of course, previous
to Confederation we had not even St.
John and Halifax and the whole busi-
ness of Montreal and the western
country went down to Portland, Bos-
ton and other American ports. If we
had had winter navigation from Que-
bec, 75 per cent of that trade could
have been kept in Canadian channels.

I listened with a great deal of inter-
est to the statement made by the in-
terester of the work done by the con-
vention held in London regarding the
saving of human life at sea. In glanc-
ing through the report of the department
I find that in the life-saving service of
Canada there are forty life-saving
stations, four in New Brunswick, six-
teen in Nova Scotia, five in Prince Ed-
ward Island, four in British Columbia,
and eleven in Ontario. The Gulf of
St. Lawrence and the province of Que-
bec are left without a single life-sav-
ing station. The large passenger
steamers pass up and down that river
and Gulf, and surely there should be a
life-saving station on the Gaspé coast
or somewhere on the St. Lawrence.

Mr. HAZEN: It is most extraordi-
nary that there is not a life-saving
station on the Gulf or the river St.
Lawrence. I shall certainly have the
matter carefully looked into and per-
haps bring the matter up again in the
House.

MONCTON CITY HALL BURNED YESTERDAY

Conflagration Completely Des-
troys Large Amount of Prop-
erty—Heavy Loss

(Moncton Transcript)

The old City Hall building, contain-
ing the various City Offices, the
place of the City Council, the Sup-
reme Court Chamber, the temporary
meeting place of the First Baptist
Congregation, and the Free Public
Library caught fire and burned to the
ground yesterday, leaving merely a
mass of ruinous walls and smoking
embers to mark the place where form-
erly stood the seat of Civic Govern-
ment and the home of several of Mon-
cton's most popular institutions. Tana-
canda Hall, the home of the Moncton
Liberal Club in the Marven-Magee
Building on West Market St., Mr. E.
Pasturel's Fish Market on one side
and a vacant store on the other, down
stairs also caught fire, and was des-
troyed.

A nearby resident discovered the
fire, noticing the reflection upon one of
the lower windows of the Market or
ground floor, and rang in an alarm
which sounded at 3.55. Although the
fire was only a small one when first
seen, and although but a few minutes
elapsed before the fire department ar-
rived, yet the flames spread with such
ferocity and rapidly that the whole
building was a mass of fire into which
it was almost impossible to penetrate,
and of all the splendid collection of
books in the Public Library and the
furnishings of the other departments
of the building, but little, if any, was
saved.

The fire was first noticed in the rear
of the market section of the building,
in a stall conducted by Mr. George
Matthews. A nearby resident chanced
to note the blaze through a window
and promptly rang in an alarm from
the box in front of the City Hall.

Police, Patrolmen, James Gaw
and Clayton were in the vicinity of
the City Hall and hearing the outcry,
ran to the fire box. They were the
first, with the exception of the man
who rang in the alarm, to reach the
scene of the fire.

When they first arrived on the
scene, the fire was a comparatively
small one, but it spread very rapidly
following three sharp explosions which
occurred one after another at short
intervals immediately following the
sounding of the alarm.

Officer Clayton and Captain Ham-
on, of the Salvage Corps, tried to get up-
stairs, but were driven down again by
the intense heat and thick clouds of
smoke.

It was some few moments before the
fire engines got into position and had
streams playing on the building, but
by that time the whole interior of the
place seemed a raging inferno, from
which spired columns of smoke and
flame burst from the door and window
apertures and mounted toward the sky.

The fire was extremely spectacular,
the conflagration casting a ruddy
glare over the entire city. While dark-
ness still obtained, the flames could
be seen by residents for miles around
the surrounding country.

TO BE INDUCTED

At a meeting of Presbytery held in
St. Andrew's hall on Wednesday after-
noon the call from the Rexton con-
gregation to Rev. Archibald Lee was
sustained and accepted by him. The
following arrangements were made for
his induction which is to take place in
the church at Rexton, Wednesday
evening, March 4th, at 8 o'clock.
Rev. E. E. Mowatt, of LeGreville, will
preside and induct, Rev. J. M. McLean
to preach, Rev. Geo. Wood to address
the minister and Rev. S. J. McArthur,
of Newcastle, the people. These mem-
bers of Presbytery are, on Thursday,
March 5th, to visit the different sec-
tions of the Harcourt congregation in
the interest of the work there.

HOCKEY

The Campbellton Ladies Hockey
Club, now named the Shamrocks, will
cross sticks with the U. N. B. Co-eds,
on Friday evening, at the rink. This
game should be worth seeing, and as
the ladies require all the financial
backing possible, it is to be hoped that
all who can be present will make a
point to patronize the game. This is
the return fixture, the game recently
played in Fredericton ending in a win
for U. N. B. The game will be called
sharp at 8 p. m.

KNIGHTS OF PYTHIAS

A special convention of Campbellton
Lodge No. 32, Knights of Pythias, was
held on Thursday, the 19th inst. to
celebrate the 50th anniversary of the
founding of the Order. After the
special services, addresses were made
by several members. Refreshments
were then partaken of, after which the
various ranks were conferred upon five
candidates. Although Campbellton
Lodge was only organized on May 24th,
last, it now has a membership of forty
members, with several applications in,
and bids fair to be one of the largest
and strongest organizations in town.

WELL ATTENDED

The Anniversary services held in
Christ Church last Sunday, Feb. 22nd,
were very well attended considering
the stormy weather. The services
morning and evening by Rev. R. P.
McKim of St. John were simple,
straightforward and marked by a
strong evangelistic appeal. His ad-
dress to men only in the afternoon
was most helpful and full of the real
Gospel of Jesus Christ. Mr. McKim
left on the local Monday morning for
St. John.

MOVING TO ST. JOHN

Mr. and Mrs. Clyde Stevens are
moving from Campbellton to St. John.
The change is brought about by the
removal of the Ocean Limited express.
Mr. Stevens is a railway mail clerk.
Though they have been living in
Campbellton only a short time, their
departure will be greatly regretted
among a large circle of friends.

DEATH OF WELL- KNOWN YOUNG MAN

J. Harold McLean Passes Away
on Wednesday Morning in His
25th Year

Mr. and Mrs. Peter McLean have
the sincere sympathy of all classes of
the community in the loss of their
second oldest boy, J. Harold McLean,
who died from typhoid fever at Hotel
Dieu on Wednesday morning. The
deceased who was in his 25th year,
was of a bright, lively character, and
to his many friends the news of his
death was a distinct shock. He was
employed in the I. C. R. Freight De-
partment and had been off duty, sick
since early in January. He did not
seem to be making the best of pro-
gress towards recovery, and his medi-
cal attendant advised his removal to
the hospital. For a few days he had
been in a comatose condition, and pas-
sed away on Wednesday morning with-
out regaining consciousness. He was
the second eldest son and his father
and mother and five brothers survive
him.

The funeral will be held on Friday
afternoon, services at the house con-
ducted by the Rev. T. P. Drumm, com-
mencing at 2 p. m., the funeral pre-
cession to leave at 2.30 p. m. Inter-
ment will be made in the rural ceme-
tery.

He was a member of the Caledonian
Society of Restigouche, and the mem-
bers of the society as well as his num-
erous friends in this town extend their
deepest sympathy to the sorrowing
family in the loss of one cut off on the
threshold of manhood, almost ere his
eyes beheld the golden vista of the
future years.

A NEW METHOD

The Opera House management has
almost completed a new method for
each weekly entertainment. The ar-
rangements will be as follows:—Mon-
days, cuntry store night; Tuesday,
feature night; Wednesday, Pathe
weekly; Thursday, feature night; Fri-
day, what happened to Mary; Satur-
day, a big variety selection. Further
notice will be given next week.

DON'T GROW BALD

Use Parisian Sage.

If your hair is losing its natural
color, coming out and splitting, or lacks
that enviable softness, gloss and beau-
ty, do not despair—greasy hair is
largely a matter of care. If it is too
thin make it grow. If it is harsh and
brittle soften it up—lubricate it. If
you have dandruff it is because the
scalp is too dry and flakes off. Fresh-
en up the scalp with Parisian Sage—
all dandruff disappears, falling hair
and itching head cease, your hair is
doubly beautiful.

Parisian Sage, sold by Thos. Wran,
and at all drug counters, is just what
you need—a large bottle costs but 50
cents. It surely makes the hair lust-
rous and seem twice as abundant. You
cannot be disappointed in Parisian
