Wyoming is trying to get an overall factory. Robins were seen in many places during the last week in January.

Miss Sarah May Coleman of Cairo became Mrs. William Lowes of Thamesville last week.

Roy, son of Reeve Wilson, Wyoming, has joined the colors. He leaves at home a wife and little child.

Mrs. Chas. Bridal, Wyoming, died last week in her 90th year. She has been in poor health for some time.

Two aged and well-known residents of Strathroy, died last week, Mrs. Catharine McIntyre, in her 70th year and Mrs. George Ashwell at the age of 78.

Mr. James Jardine, Deputy-reeve of Enniskillen, is one of the teachers in the Shiloh Church Sunday School. He has a class of thirty-two young men and out of that number six have joined the overseas forces, with the seventh rejected owing to age.

Geo. French, of Sarnia, a large fruit grower of Lambton County, states that all appearances the apple crop for the coming year will be exceptionally large.

Andrew Mackler, a resident of the Petrolia oil fields for 45 years passed away at his home in Consteston, on Monday morning. The deceased had been in poor health for some time, but his decline was quite rapid following a fall which he had about a week ago.

David Frayn, 14 year old son of Eli Frayn, Bosanquet, met with a serious and very painful accident lately, when his hand was cut in a power cutting box.

At the annual meeting of the Bosanquet Agricultural Society, the following officers were elected for the ensuing year:—President, J. B. Woodhall; first vice-president, J. A. Lewis, second vice-president, F. A. Jennings; secretary, treasurer, N. J. Kearney; directors, A. M. Crawford, T. H. Moloy, Dr. A. J. Grant, J. French, A. L. Carmichael, Robert Tibball, G. James, A. E. McMichael and J. Menhenick; auditors, J. A. Hamilton and J. Willis.

Hinton Parker, of Wyoming, who recently appeared before Justices of the Peace Kelly and Pearce, charged with being drunk in local option territory and whose case was reviewed by the authorities in Toronto, is now serving a three months' sentence. On Saturday word was received from Toronto that the law as it stands must be upheld and as it was Parker's third offence the department would not permit the option of a fine.

The oil fields at Bothwell are still producing considerable oil after being pumped almost continuously for the past 20 years or more. James McRitchie, who has a number of wells on his farm, states that between 300 and 400 wells are still producing oil and he estimated the value of the monthly output at \$12,000.

It Eases Pain. Ask any druggist or dealer in medicines what is the most popular of the medicinal oils for pains in the joints, in the muscles or nerves, or for neuralgia and rheumatism, and he will tell you that Dr. Thomas' Electric Oil is in greater demand than any other.

Mr. S. F. Glass of East Middlesex will propose a resolution in the House of Commons declaring that it is the duty of the Government to give more consideration to the production of flax in Canada, as well as to the manufacture of linen therefrom.

ZAM-BUK CURED IN 2 MONTHS. After 2 Year Useless Treatment. The healing power of Zam-Buk is so much greater than that of other ointments, that it has cured in many cases when all other ointments have failed.

Zam-Buk is equally good for eczema, ulcers, abscesses, blood-poisoning, piles, cold sores, chapped hands, chilblains, eruptions, etc. At all drug stores, 50c. box, or from Zam-Buk Co., Toronto.

Don't make you feel like getting in to the ranks when you see the boys of the 149th in parade.

The happiest faces you meet on the streets today are the boys in uniform. Wear the khaki and the uniform smile!

WINTER STORAGE OF CABBAGE.

Important to Prevent Heating and Maintain an Even Temperature. In storing cabbage the heads are generally pulled up when light freezing begins along in November.

Managers Needed. Hired help is scarce—but at that we are more in need of progressive farm managers.

Provide plenty of dry earth and coal ashes where the hens may dust themselves, and there is little danger of body lice in a clean house.

FLEETEST OF ALL DOGS. Greyhounds Can Run as Fast as Carrier Pigeons Can Fly.

Comparatively few people realize of what remarkable speed dogs are capable. The wolf can run between fifty and sixty miles in one night, and the Arctic fox can do quite as well, if not better.

USES OF MANURE SPREADER. May, When Not in Service, Be Utilized as a Wagon.

Investigations show that depreciation for the manure spreader is approximately 11.6 per cent, annually. Owing to the fact that it is required to carry a byproduct which contains more or less moisture, a part of the depreciation is undoubtedly due to the decay of the wood in the frame-work.

Natural Age of Man. The question as to what is the natural age of man is by no means settled, of course, but many are of the opinion that the Frenchman Flourens was not far out of the way in his estimate of the time a man should live.

Something Saved. "What success did you have raising chickens?" "Very little. Some escaped, thieves stole others and a large number died of a mysterious disease."

Many Species of Banana. The banana as a substitute for the potato would have one drawback. It has been found that those who live mainly upon this article of diet soon tend to become what is politely called "tubby."

To Empty a Barrel Gradually. The sketch shows a labor saving method of emptying a barrel of powdered or granular material where the emptying is to be done slowly.

Spraying for Peach Leaf Curl. Peach leaf curl can be controlled by fall spraying. The disease is well known, and its method of control has been fully developed, so that the grower may be sure of results.

Says Vinol Creates Strength. Rosary Hill Home, Hawthorne, N.Y. "I have used Vinol for many run-down, weak or emaciated patients with benefit. One young woman was so weak and ill she could hardly creep to my door for aid."
