CITY'S FIRST AND LAST FALL

Jericho's Siege and Capture One of the Spectacular Stories of the Old Testament.

On the morning of Washington's birthday Gen. Sir E. H. Allenby's Australian troopers rode as conquerors into a little village of huts, noted geographically as being the city of lowest elevation on earth, and in Biblical history as being the scene of the Promised Land, observes the Minneapolis Journal.

In the Canaanite days Jericho was a fortified city, commanding both the lower ford of the Jordan and the route leading up to the highlands of Judea. The story of its siege and capture and the destruction of its population is one of the spectacular stories of the Old Testament, which contrasts strongly with its gentle seizure by a Christian army in a year of our Lord thirty-five centuries later.

According to the Old Testament story, the city was left desolate with a curse from Joshua upon the man who should attempt to rebuild it. And it is related that Hiel, the Bethelite, who did rebuild it, lost his two sons in the construction of the wall as punishment for his temerity.

It was at Jericho that Joshua instituted his campaign of frightfulness upon his enemies; and it was on the Jericho road leading up to the Judean highlands that Jesus laid the scene of the story of the Good Samaritan who gave first aid to a wounded enemy. The advance from Joshua to Jesus in the human ideal of duty toward one's enemies is the very measure of the spread between the ideals of Hindenburg and Allenby on the same question.

This war is fundamentally a conflict between the ideals of modern brotherhood and ancient overlordship; and nowhere is the contrast more noteworthy than in this little village of Jericho, where the people today are safer in the hands of their enemies than they were under the rule of their own people. The world, with the exception of Germany and Turkey, has traveled a long way between the two falls of Jericho.

ROMEO WAS CLAD IN KHAKI

Played the Popular Game, Choosing the Dinner Table to Work on Affections of Waitress.

It is natural that we should be eager to do whatever we can for the boys in khaki; but sometimes, when the patriotic zeal is not accompanied by a sympathetic imagination, the beneficiary may pray to be delivered from our friends, writes "An American Woman" in the Outlook.

A homesick lad is likely to want either an atmosphere like that of his own home or else the exotic flavor the expectation of which has helped him to undertake the great adventure so cheerily.

In one family among my neighbors the son of the house was scandalized when one of their guests at Sunday dinner made the perfectly simple and natural request that he be permitted after the meal to repair to the kitchen where the pretty waitress was. Permission was denied, but young Romeo was not discouraged, and this letter came "To the Girl That Waits for Mrs. So-and-So: You are the best ever. Are you keeping company with anybody?" He added his name and a few personal details, and this delicious bit of identification: "If you don't know which soldier wrote this, it is the one that touched your hand under the dish when you passed the potatoes."

Russia a Puzzle Even to Tolstoy.
"How can one understand chaos?" is the reply Count Ilya Tolstoy, son of the famous Leo Tolstoy, writer, philosopher and mystic, made to the question as to his interpretation of conditions in Europe.

If such a man as Count Tolstoy is at sea in regard to Russian affairs, it is surely pardonable for Americans to be in ignorance of them. The count says that the real Russia has not been consulted at all in the recent changes there. The real Russia is peasant Russia and peasant Russia has been ignored. The count pleads for American sympathy for his people, who, he says, have been deceived and misled. "The crime of all the Russian leaders," he says, "is that they have been following their own programs and ignoring the peasants, the masses." What will come out of the present chaos the count professes he does not know.

Long Loaves Are Most Economical.
A loaf weighing one pound contains 11 per cent of water if it is round and only 34 per cent if it is cylindrical. Therefore, she who buys long loaves gets 140 grammes more actual food for her money than she who buys round loaves.

The reason for this is that the sphere is the figure that contains the largest possible volume under the smallest possible surface, and, as evaporation is a matter of surface, this is greater from a cylinder than it is from a sphere of the same weight.

PROCLAMATION

GEORGE the FIFTH, by the Grace of God of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, KING, Defender of the Faith, Emperor of India.

To all to whom these presents shall come or whom the same may in any wise concern,—GREETING :

A Proclamation of conditional amnesty respecting men belonging to Class I under the Military Service Act, 1917, who have disobeyed our Proclamation of 13th October, 1917, or their orders to report for duty, or are deserters or absent without leave from the Canadian Expeditionary Force.

E. L. NEWCOMBE, } WHEREAS considering-
Deputy Minister of Justice, } able numbers of men
Canada. } belonging to Class I under our Military Service Act, 1917, called out on active service in our Canadian Expeditionary Force for the defence of Canada under Our Proclamation of 13th October, 1917, although they have thus become by law soldiers enlisted in the Military Service of Canada,

Have failed to report for duty as lawfully required of them under the said Military Service Act and the regulations thereunder, including the Order in Council duly passed on April 20 last,

Or have deserted,
Or absent themselves without leave from our Canadian Expeditionary Force,

And it is represented that the very serious and unfortunate situation in which these men find themselves is due in many cases to the fact that, notwithstanding the information and warning contained in Our Proclamation aforesaid, they have misunderstood their duty or obligation, or have been misled by the advice of ill-disposed, disloyal or seditious persons.

AND WHEREAS we desire, if possible, to avoid the infliction of the heavy penalties which the law imposes for the offences of which these soldiers have thus been guilty, and to afford them an opportunity within a limited time to report and make their services available in Our Canadian Expeditionary Force as is by law their bounden duty, and as is necessary for the defence of Our Dominion of Canada.

NOW KNOW YE that we in the exercise of Our powers, and of Our good will and pleasure in that behalf, do hereby proclaim and declare and cause to be published and made known THAT THE PENALTIES OF THE LAW WILL NOT BE IMPOSED OR EXACTED as against the men who belong to Class I under Our Military Service Act, 1917, and who have disobeyed Our Proclamation aforesaid; or who have received notice from any of Our registrars or deputy registrars to report for duty on a day now past and have failed so to report; or who, having reported and obtained leave of absence, have failed to report at the expiry of their leave, or have become deserters from Our Expeditionary Force, PROVIDED THEY REPORT FOR DUTY ON OR BEFORE THE TWENTY FOURTH DAY OF AUGUST 1918.

AND WE DO HEREBY STRICTLY WARN AND SOLEMNLY IMPRESS UPON ALL SUCH MEN, and as well those who employ, harbour, conceal or assist them in their disobedience, that, if they persist in their failure to report, absence or desertion until the expiry of the last mentioned day, they will be pursued and punished with all the rigour and severity of the law. SUBJECT TO THE JUDGMENT OF OUR COURTS MARTIAL WHICH WILL BE CONVENED TO TRY SUCH CASES or other competent tribunals: and also that those who employ, harbour, conceal or assist such men will be held strictly accountable as offenders and subject to the pains, penalties and forfeitures in that behalf by law provided for their said offence.

Provided however that nothing contained in this Our Proclamation is intended to release the men aforesaid from their obligation to report for duty as soon as possible or to grant them immunity from arrest or detention in the meantime for the purpose of compelling them to perform their military duty; Our intention being merely to forego or remit the penalties heretofore incurred for failure to report, absence without leave or desertion incurred by those men of the description aforesaid who shall be in the proper discharge of their military duties on or before the said twenty-fourth day of August, 1918.

Of all of which Our loving subjects and all others whom these presents may concern are hereby required to take notice and govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Canada to be hereunto affixed. Witness: Our Right Trusty and Right Entirely Beloved Cousin and Counsellor, Victor Christian William, Duke of Devonshire, Marquess of Hartington, Earl of Devonshire, Earl of Burlington, Baron Cavendish of Hardwicke, Baron Cavendish of Keighley, Knight of Our Most Noble Order of the Garter: One of Our Most Honourable Privy Council: Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George; Knight Grand Cross of Our Royal Victorian Order; Governor General and Commander-in-Chief of Our Dominion of Canada.

At Our Government House, in Our City of OTTAWA, this FIRST day of AUGUST, in the year of Our Lord one thousand nine hundred and eighteen, and in the ninth year of Our Reign.

By Command,

Thomas Mulvey

Under-Secretary of State.
