deep interest they feel for their biethren of the sister kingdom, by the crowds that are pressing forward to adhibit their subscriptions—sing forward to adhibit their subscriptions—their best and only customers in the coal trade, and with whom they reciprocate in the cern and provision trade, from Dubin along the east, north, and west of Limerick."

A great meeting of the inhabitants of Edinary was held yesterday in the Waterloo Hotel, to consider the propriety of petitioning the House of Commons, in favour of the Mir best of Chydeness on your leafledness. At the expension of Prost of the count of the Mir best of the count of the Mir best of the count of the count of the Mir best of would have been a great bore in Society was it was, he was a delightful young man-so

he was another creature, and Florence was herself again, all triumpant. The next moment the dancers were thrown into confusion there are the spirit of St. Clyde not bow—she did not smile—she merely bent forward and whispered the word of department the dancers were thrown into confusion chemically and the same and th ment the dancers were thrown into confusion there was a rush toward the windows, and Lord St. Clyde was seen darting through the crowd toward the conservatory with a fainting figure in his arms—it was Florence Neside.

The next morning Florence was really unwell. She said "not at home" to every one, and began to tune her harp. String after

ville!

The cousin bent affectionately over the instring gave way as she began to draw them up.—'Like me, poor harp' she sighed, 'you are sinking, spoiling from neglect.'

Suddenly the door opened and a visiter a glass of water.

'It was my tault exclaimed St. Clyde, in an

My dear Florence, how you frightened

Enema did as she was desired and forebore to ask any questions until they got home; then she anxiously inquired, Did he produced as a pause in a tele-a-tite; he feit aukward as a pause in a tele-a-tite; he feit

'No! provoking man! but very nearly. 'Yes-but it will not do, Florence ; that man does not care for you

Never mind that, he shall propose. But do you not care for him ? Qu'importe ? he shall propose.'

I will make him! remember this is only the first ball of the season !"

Lady Monieagle gave a fete at her ville at Putney, Mr. and Miss Neville were there of course. Florence had an exquisite boutoward her; therefore, she prudently dropped burying that young face in her hands, since it could not win St. Clyde!'—A:
burying that young face in her hands, since it could not win St. Clyde!'—A: quer but she saw Lord St, Clyde advancing

Lectureship to be equally well versed in Mi- was preparing to waitz with a tall, data apparent to the sunder the supported for she could not help it. Lord St. Clyde's eyes were fixed on her face, and the next eyes were fixed on her face, and the next moment she found herself walking with him moment she found herself walking with him moment she found herself walking to the hosttion. They were standing on the brink of a sighted now! - London Court Journal.

> 'No,' said Florence, 'but it must be very pretty; do you know it, my Lord !"

Yes, my heart.' "Then tell me what these flowers mean!" exclaimed the beauty quite innocently as she offered nim his bouquet which was composed

She was in one corner of the room—the of a white rose, a pink rose bud, some myrtle, In the name of the Alumni of this Universemost crowded and gremoved from either door and one geranium. The Earl hesitated, and laughed, then suddenly recovering himself The conservatories are cool, said the Earl, but he did not offer to lead her there.

Florence felt her heart beating, but she only laughed-that laugh encouraged the
