For instance, you should know why Morse's is considered the best Tea sold in Canada, and why it is always uniform in quality and as represented. You should know that the man who selects it in the gardens of Ceylon and blends it for the Canadian people, is probably the most expert Tea taster in this country. You should know that Morse's Teas are purchased in very large quartities and always for cash. By Luying well, the proprietors are able to sell Morse's lower than any other Tea on the market.

A household necessity—Empire Liniment.

Bear Sirs:

Having used your Liniment for several years with satisfactory results, I take great pleasure in recommending it as an invaluable household remedy. I have also used it on my horses and found nothing to equal it in case of covering etc.

P. S. I would recommend every house and stable having a bottle as part of its equipment.

Reuben Morehouse, of Sandy Cove, Digby, was killed in Lynn, Mass., on 18th inst. He had been employed on the milk car running between Portsmouth and Lynn only one week. The train was being made up and was almost ready to leave when a coupling broke. The two parts came together shortly afterwards in a rather sharp collision and Morehouse, who was the only occupant of the box car, was thrown against the side, striking his head. He only lived three hours. Morehouse was only 23 years of age and was a son of the late Captain Reuben Morehouse, of Sandy Cove. His remains were sent home and were interred last Sunday.
