**HOW YOU CAN TELL GENUINE ASPIRIN**

Only Tablets with "Bayer Cross" are Aspirin—No others!

There is only one Aspirin, that marked with the "Bayer Cross" and other tablets are only cheap imitations. Genuine "Bayer Tablets of Aspirin" have been prescribed by physicians for almost a century and proved safe by millions for Pain, Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis, etc. Handy tin boxes of 12 tablets—also larger "Bayer" packages can be had at any drug store. Made in Canada.

Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monacostadt of Salterried. While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company, Ltd., will be stamped with their general trade mark, the "Bayer Cross."

"In my Father's house are many mansions, if it were not so I would have told you, for I go to prepare a place for you, and if I go and prepare a place for you I will come again and will receive you unto myself that where I am there you may be also. St. John 13:32"

## MRS. COOK IS NOW ENJOYING HEALTH

Says Tanlac Ended her Troubles Last October and She's Felt Fine Ever Since

"I was down in bed and had been there for three weeks when I began taking Tanlac, but by the time I finished the first bottle I was walking around and now after taking four bottles I am a perfectly well and happy woman," said Mrs. Cook, 21 York Street, St. John's, N. F.

"Besides restoring my health Tanlac has built me up to where I have actually gained thirty pounds in weight."

"The past twenty years have been one unbroken period of misery for me. I had chronic indigestion and my appetite had become so poor I scarcely enough to keep alive. Most weak and thin I was unable to do any housework. My head would throb so bad I could not bear to lay it on the pillow. My nerves were almost a total wreck and at times I hopped like a leaf. My kidneys were disordered and my back hurt continually. I don't believe I enjoyed a single night's sleep during the last twenty years."

"I have never seen anything more wonderful than the way Tanlac restored my health. Why for the first time in my life I can say I enjoy good health."

"This was all last October and I've retained the thirty pounds I've gained and have been feeling just as well since. I am doing all my housework now and I simply couldn't think to feel better."

Tanlac is sold in Bridgetown by S.N. Weare in Middleton, by Clifford A. Mumford and in Bear River by L. V. Farris.

**IF Your Throat's Sore**

and inflamed, the speedy and most effective treatment is to, now and again dissolve a Peps injection-killing tablet in your mouth. Peps reach the inner tissues which are the parts actually affected in throat and chest ailments. Liquid medicines can't do this.

Just as you breathe in the germs of throat trouble, so you must breathe in the remedy to chase and exterminate these germs, before they feel their way into the windpipe and chest. These soothing, germicidal Peps vapours quickly slay inflammation and soreness; they overcome the hoarseness, difficulty in swallowing, and irritating dry cough. Free from opium or other habit-forming drugs Peps provide the ideal remedy and preventive of colds, chills, grippe, influenza and throat troubles. Beware of substitutes and tablets containing formalin which irritate and inflame the throat and air passages.
