## The Historical Series for Bible Students

EDITED BY

Charles Foster Kent, Ph.D., and  
Frank Knight Sanders, Ph.D., D.D.

To-day the historical is being more and more generally recognized as the true method of Bible study. Only with a definite knowledge of the conditions and problems of their age can the great characters of the Bible be appreciated and their writings fully understood. The earnest research and fruitful excavations of the past century have revealed a wealth of facts which marvelously illuminate the background of the life and teaching of the Bible, and now make it possible to study Judaism and Christianity in connection with the history and religious thought of that ancient Semitic world amid which they developed. The "Historical Series" as a whole gives a unified and comprehensive view of the nations, men and forces most potent in moulding these two great religions. Accurate maps, chronological charts, etc., are provided, making every volume of the series an authoritative and invaluable handbook for reference.

**WITH ONLY A SMALL OUTLAY ANYONE CAN POSSESS THIS LIBRARY.  
INVALUABLE FOR READING, FOR REFERENCE, AND FOR STUDY.**

We cannot in the limited space at command tell you all we would like about this important work, but send a postal and we will mail (free) an eight page pamphlet in which the series and the volumes are fully described. Portraits of the authors are also given. Write to-day.
