

CHILDREN'S COENNE, (OLD) AND YOUNG.)

TEST OF LOVE.

"I do love God." said a little girl to her papa one day when he had been talking to her about "loving God." "Perhaps you think so Maria." "Oh! I do, indeed I do, papa!" "Suppose my child, you would come to me and say 'dear Papa, I do love you,' and then go away and disobey me; could I believe you?" "No, papa!" "Well, dear, how can I believe you love God when I see you doing every day those things he forbids? You know the Bible says "If ye love me deep my commandments." Dear reader, how will your love stand this test?

DRIVE YOUR HORSE AT A "GOSPEL PACE."

The late Rev. Rowland Hill was a very humane man and very considerate of his horses. Going to dine with a family at the distance of seven miles from London, on a sultry day in July, he did not arrive till after the dinner hour, and consequently, was received with "Why, Mr. Hill, we were afraid that some accident happened, you are more than half an hour late; and we fear the dinner is quite spoiled, the distance is only seven miles!" "Never mind," said he, "the weather is so hot, the hills so steep—and, you know, I never suffer my horses to be driven out of a *gospel pace*."

Gentle reader, although we very highly disapprove of unpunctuality, of keeping people waiting for you after an appointed hour, and of spoiling dinners, and *people's tempers*, we strongly recommend Mr. Hill's example of driving your horses at a "gospel pace." An *earlier start* will enable you to do both, that is, to be punctual to your appointment, and humane in your driving.

The influences of true christianity will reach, and be left by the very brutes that a Beneficent and Benevolent Father in heaven, has given us for usefulness, and comfort. In this age of furious driving, without good reason, to and from church, as well as market, would your horse have reason in your treatment of him to suspect that you were not a christian? Do you drive at a "Gospel Pace?"
