

L. G. AMSDEN, Principal.

Established 1896.

In connection with The COHEN BROTHERS, Limited.

THE COLLEGE was established to provide practical instruction at a reasonable cost, and the success achieved is due to honest effort and practical methods.

THE INSTRUCTOR is an optician whose whole life has been devoted to the study and practice of optics in the practical spectacle selling form in which the graduate will have to practice.

THE COURSE contains no useless technicalities. All obscure phraseology has been eliminated and the practical essentials condensed and simplified to the requirement of a short course.

THE DURATION of the course is two weeks.

Prospectus and testimonials on application.
