

Presbyterian Review.

THURSDAY, OCTOBER 7TH, 1886.

In entering goods, or in making inquiry concerning anything advertised in this paper you will oblige the publishers, as well as the advertiser, by stating that you saw the advertisement in the PRESBYTERIAN REVIEW.

THE congregation of Melville church, Fergus, recently presented Mr. Doherty, the student in charge during the absence of Dr. Smellie, with a gold watch and an address.

DR. COCHRANE recently denounced from the pulpit the insidious attempts of the Plymouth Brethren to make trouble in his congregation, and their resorting to the writing of anonymous letters to accomplish their base purposes.

CABLE dispatch Rome, Sept. 16th. The Pope's course in favouring the Jesuits has caused great dismay. It is proposed to hold public meetings in Rome and other places to urge the government to inevitably enforce the laws against the Jesuits.

THE ladies of both Presbyterian churches, Brucefield, as members of the Auxiliary W. F. M. S., have sent a large box of clothing and other useful articles to the Indians of the North-West. We are glad to learn the society is in a very prosperous condition.

A LARN, Ireland, paper on the 11th of September contains a notice of the death of the 10th Inst., after an illness of seven days, of Eliza Kirkpatrick, widow of the late J. McMurphy, at one time minister of the First Presbyterian church, Brockville.

THE ladies of the Auxiliary of the W. F. M. S., Ingersoll, recently presented Miss M. McKellar, who is about to attend the Medical College at Kingston, with a view to preparation for the Foreign Mission field of our Church, with an address and purse of money.

REV. PROF. BLACK has recently been exploring the Indian mounds on the Souris River, 75 miles beyond Boisse. He opened three large mounds, and was rewarded by finding some of the most valuable specimens he has ever discovered. He saw over twenty mounds in the region where he was.

ON the 26th of September, Rev. Dr. Torrance, Guelph, inducted Messrs. Arch. Campbell and David Henderson, as ruling elders of Knox Church, Acton, and also ordained Messrs. Alex. Kennedy, Lachlan McMillan, John Cameron, and Dr. Lowry, to the same office. The congregation has been vacant for more than a year.

THE congregation of Union church, Brucefield, under the Divine blessing has so increased since the settlement of the Rev. J. H. Simpson in June last that the contract has been let to put in a gallery which will increase the sitting accommodation very considerably. The congregation and pastor alike are very much encouraged.

IN SEASON. It is now in season to warn our readers against the sudden attacks of Cholera, Cramp, Colic, and the various liver complaints incident to the season of the fruit, vegetable, etc. Dr. Fowler's Extract of Wild Strawberry is the grand specific for those troubles.

A WORD OF EXPLANATION. The liver secretes bile to move the bowels; the kidneys secrete urine to carry off uric acid, which would poison the blood; the stomach secretes gastric juice to digest or dissolve the food, etc. Blood-cleansing letters act upon these organs and purify the blood by cleaning all the secretions of the system.

A LECTURE under the auspices of the Auxiliary of the W. F. S., Brucefield, on the subject: "From Jerusalem to Bethlehem," was delivered on Wednesday evening, 29th, in Union church, by the Rev. G. E. Howie, M.A., the blind lecturer, in Abraham costume. The lecture was of the most instructive character. Present address is Georgetown, Ont.

REV. DR. ARCHIBALD, Knox Church, St. Thomas, had a few days ago a narrow escape from sudden death or at least severe injury. He receives members of the congregation in the study, and he was waiting for the first arrival, when he got up to go to the door. He had only got a few yards away when a mass of plaster from the ceiling fell upon the chair which he had just left. The mass broke the seat of the chair in two pieces.

PROF. J. R. MCKAY, of Embro, gave a lecture in Union church, Brucefield, on Thursday evening, Sept. 23rd, on "Sacred Music." The lecture, which bore largely on the importance and relation sacred music bears in connection with congregational singing to the acceptable worship of God, was listened to with marked attention. It was interspersed by some very fine selections from the choir led by Mr. McKay, Rev. J. Ross and the pastor, Rev. J. H. Simpson, also delivered short addresses.

ON a recent evening at the residence of George H. Frazer, Esq., Mr. J. McP. Scott, who has been faithfully assisting Rev. Mr. Alexander during the summer, and who now returns to Knox College, was called on to receive a surprise party. Nearly every family of Union church was represented, and the evening was pleasantly spent. A beautiful report, unanimous expressions of good will, a well filled purse; these, with the recent testimonial to their esteemed pastor, only confirm us in our former opinion that Union congregation is a liberal and appreciative people.—Georgetown Herald.

A new church was opened in East Gloucester on Sabbath, the 12th of September, by the Rev. G. M. Clark, of New Edinburgh. On Tuesday evening the 14th, a social was given by the ladies of the congregation, which was well attended, the church being crowded. Addresses were delivered by Rev. G. M. Clark, of New Edinburgh, Rev. H. J. McDiarmid, of Kempville, a former pastor of the congregation, Rev. K. Whillans, of Merivale, and the pastor the Rev. G. T. Blythe. It is gratifying to learn that the church was opened free from debt. The proceeds of the opening social amounted to \$75.

DR. CASANOVA'S CATARRH CURE is no longer an experiment. No cure no pay, the terms on which it is sold. Money refunded if medicine not satisfactory. Ask your druggist about it, then buy it and take no other.

Don't use any more nauseous purgatives such as Pilsa, salts, etc., when you can get Dr. Casanova's Stomach Laxative, a medicine that moves the bowels gently, cleansing all impurities from the system, and rendering the liver pure and cool. Great Spring Medicine. 50 cents.

THE church building at the grove, West Missouri, is undergoing extensive improvements and alterations. THE Executive Committee of the North York Sabbath School Association has completed arrangements for the approaching Convention, to take place in Aurora on the 13th, 14th and 15th of the present month. Among the speakers who are announced to deliver addresses are Rev. G. M. Milligan, B.A., Toronto, who will give an address on "The Nature and Spirit of Sunday School Instruction," and D. Fotheringham, Esq., Inspector Public Schools, whose subject is "Government and Work of Scholars in Public and Sabbath Schools," and Rev. J. C. Smith who will address a mass-meeting of children.
