

We have no hesitation in stating, that as a Tonic, Stimulant and Roborant, WYETH'S BEEF, IRON AND WINE has proven more uniformly beneficial than any combination we have ever known. It is substantially a universal tonic.

In the majority of cases, along with failure of strength, and indeed as one cause of that failure, there is an inability to digest nourishing food. Hence it is very desirable to furnish nourishment in a form acceptable to the stomach, at the same time to excite this organ to do its duty. On the other hand, again, wine stimulus, although needed, is ill borne if given by itself, producing headache, excitement and other symptoms which may be avoided by the addition of nutritious substance, such as the Essence of Beef. Iron, also, can be taken in this way by the most delicate or sensitive woman or child, to whom it may be inadmissible as usually given.

Conditions in which Physicians recommend

WYETH'S BEEF, IRON AND WINE.

To give strength after illness.—For many cases in which there is pallor, weakness, palpitation of the heart, with much nervous disturbance, as, for example, where there has been much loss of blood, or during the recovery from wasting fevers, this article will be found especially adapted. Its peculiar feature is that it combines Nutriment with Stimulus.

To those who suffer from weakness it is a Nutritive Tonic, indicated in the treatment of Impaired Appetite, Impoverishment of the Blood, and in all the various forms of General Debility. Prompt results will follow its use in cases of Sudden Exhaustion, arising either from acute or chronic diseases.

To Growing Children—Especially those who are sickly, get great benefit from this preparation. It builds up by giving just the nourishment needed, and in a very palatable form.

To people who are getting old, who find their strength is not what is used to be, they experience a decidedly tonic effect from its use as occasion requires.

To clergymen, teachers and members of other professions, who suffer from weakness, WYETH'S BEEF, IRON AND WINE is very effectual in restoring strength and tone to the system after the exhaustion produced by over mental exercise.

For Overwork—Many men and women know that the continuous fatigued feeling they labor under is due to overwork, still they find it impossible just yet to take complete rest. WYETH'S BEEF, IRON AND WINE gives renewed vigor, is stimulating, and at the same time is particularly nourishing.
