MAY 31, 1894

No. 17

THE CANADIAN CONTRACT RECORD,
PUBLISHED EVERY THURSDAY
As an Intermediate Edition of the "Canadian Architect and Builder."

Subscription price of "Canadian Architect and Builder" (including "Canadian Contract Record"), \$2 per annum, payable in advance.

G. H. MORTIMER, Publisher,
CONFEDERATION LIFE BUILDING, TORONTO.
Telephone 2362.
New York Life Insurance Building, Montreal.
Bell Telephone 2199.

Information solicited from any part of the Dominion regarding contracts open to tender.

Advertising Rates on application.

At its Convention held in Toronto, Nov. 30 and 31, 1889, the Ontario Association of Architects signified its approval of the CANADIAN CONTRACT RECORD, and pledged its members to use this journal as their medium of communication with contractors with respect to advertisements for tenders.

The following resolution was unanimously adopted at the First Annual Meeting of the Province of Quebec Association of Architects, held in Montreal, Oct. 10th and 11th, 1890: "Moved by M. Ferrault, seconded by A. F. Dunlop, that we the Architects of the Province of Quebec now assembled in Convention being satisfied that the CANADIAN CONTRACT RECORD affords us a direct communication with the Contractors, Resolved, that we pledge our support to it by using its columns when calling for Tenders."

Subscribers who may change their address should give prompt notice of same. In doing so, give both old and new address. Notify the publisher of any irregularity in delivery of paper.

BARTER AND EXCHANGE.

This department has been opened for the speedy barter and exchange of second-hand plant or material, or small lots of new or second-hand materials by builders and others not regularly engaged in the sale of such articles. Advertisements other than those of the above description will not be inserted.

RATES—12 words and under, 15 cents; each additional word, 1 cent (three figures count one word); on two or more subsequent insertions a discount of 10 per cent will be allowed. Not more than four insertions of an advertisement can be granted.

Replies to advertisements may be addressed to a box at this office, in which case necessary stamps must be sent for re-mailing replies. Advertisements for this department must be prepaid.

FOR SALE—Wood and glass partition, 9 feet high, 18½ feet long, including door 3x3 feet. Pine, natural finish, ground glass in panels. In use little more than a year. Cost over \$50. Will be sold at a sacrifice. Box 50, CONTRACT RECORD office.

Granolithic Pavement CITY OF BELLEVILLE

The Municipal Corporation of the City of Belleville require tenders for the construction of about 4000 yards Granolithic Pavement on Front and Bridge Streets. Contractors will furnish their own specifications with tender for the said work at price per square yard, and Stone Curbing at price per lineal foot. Work to be guaranteed for twenty years. Further particulars can be obtained by addressing R. Croft Hulme, Esq., City Surveyor, or the undersigned. Tenders will be received addressed to the undersigned up to noon of June 1st, next.

D. B. ROBERTSON,
City Clerk.

TENDERS

Sealed tenders will be received at the office of the undersigned up to the 4th JUNE next, for the lighting of the town of Farnham by electricity.

The lowest or any tender not necessarily accepted.
E. AUDETTE,
Sec. Treasurer.

Farnham, Que., 17th May, 1894.

PLANS AND SPECIFICATIONS

for a TOWN HALL and ENGINE HOUSE combined, will be received by the Clerk of the Town of Carleton Place up to June 30th, 1894.

Only such plan or plans as are accepted by the Council to be paid for.

For particulars apply to the undersigned.

A. R. G. PEDEN,
Town Clerk.

Carlton Place, May 15th, 1894.

THE QUEBEC GENERAL RAILWAY

NOTICE TO CONTRACTORS

Good work can be had on the construction of the Tring-Megantic branch by contractors with small outfits.

Special railway rates for men and outfits.
Good wagon roads to the works.
A few good foremen wanted.

Apply to

HOLT & LUKES,

CONTRACTORS, SHEKBRUNE, P. Q.

TO BUILDERS, ETC.

Tenders, separate or lump, for the erection of a brick and stone chapel, &c., at St. Joseph's Convent, St. Alban's Street, will be received by the Rev. Mother Mère Pazzi, St. Joseph's Convent, or the undersigned, until WEDNESDAY, 6th OF JUNE.

Tenders are to be in harmony with the forms prescribed by the specifications and must contain the names of two eligible and sufficient persons as security for the due performance of the contract.

The lowest or any tender will not necessarily be accepted.

Plans, &c., may be seen at the office of
JOSEPH CONNOLLY, R.C.A., Architect,
Imperial Chambers, 32 Adelaide St. E., Toronto.

NOTICE TO CONTRACTORS

Tenders will be received by registered post, addressed to the City Engineer, Toronto, up to 11 o'clock a.m., on Saturday, June 9th, 1894, for the following works:

CEDAR BLOCK PAVEMENTS

On Ulster Street, from Markham Street to Bathurst Street.

On Rosebury Avenue, from Bathurst Street to its east end.

Specifications may be seen and forms of tender obtained at the office of the City Engineer, Toronto, on and after Saturday, June 2nd, 1894.

A deposit in the form of a marked cheque, payable to the order of the City Engineer, for the sum of 5 per cent. on the value of the work tendered for under \$1,000 and 2½ per cent. on the value of the work tendered for over that amount, must accompany each and every tender, otherwise it will not be entertained.

All tenders must bear the bona fide signature of the contractor and his sureties (see specifications) or they will be ruled out as informal.

The committee do not bind themselves to accept the lowest or any tender.

DANIEL LAMB,
Chairman of Committee on Works.
Committee Rooms, Toronto, May 28, 1894.

CONTRACTS OPEN.

MEAFORD, ONT.—A plan for a system of waterworks is under consideration.

WATSON'S CORNERS, ONT.—The Presbyterians will build a new church.

WINCHESTER, ONT.—The erection of a High School is under consideration.

HALIFAX, N. S.—The Union Protection Co., have purchased a site on Jacob street for their new hall.

KINGSTON, ONT.—The governors of the School of Agriculture are about to erect a brick dairy building.

HARTNEY, MAN.—A by-law to raise \$2,500 for an addition to the public school has been carried by the ratepayers.

GRIMSBY, ONT.—The Hamilton, Grimsby and Beamsville Railway Company will erect a brick car shed here, 130 by 50 feet.

ST. HYACINTHE, QUE.—It is reported to be the intention of the G. T. R. Company to build a new passenger depot at this place.

FORT WILLIAM, ONT.—Proposals are invited for the construction of a system of waterworks. Particulars may be obtained from the Town Clerk.

PENETANGUISHENE, ONT.—Mr. Kennedy, architect, of Barrie, will shortly invite tenders for the erection of a hotel building for Mr. Jas. Dusome.

DIGBY, N. S.—Tenders are invited by Mr. S. Wood, Chairman Building Committee, until the 10th of June for the building of a rectory in this town.

CALGARY, N. W. T.—The Town Council propose to submit a by-law to the ratepayers shortly to raise the sum of \$30,000 to establish an electric light plant.

INGERSOLL, ONT.—A by-law to raise the sum of \$10,000 for the enlargement of the Collegiate Institute will be voted on by the ratepayers on the 18th of June.

WINDSOR, ONT.—Messrs. Maycock & Co. are preparing plans for a residence for Mr. John Clarke, Victoria ave., cost \$3,000. Tenders will be called next week.

SMITH'S, FALLS, ONT.—The by-laws to provide funds for increased school accommodation and an electric fire alarm system have been sanctioned by the ratepayers.

DARTMOUTH, N. S.—Tenders are invited by the School Board until the 4th of June for the erection of an additional story to the Greenvale school building; A. Elliott, Clerk School Board.

POINT ALEXANDER, ONT.—Plans have been prepared for a new Presbyterian church here, and tenders for erection will be invited in the near future. The plans may be seen at the Observer office, Pembroke.

COOKSHIRE, QUE.—It is rumored that a company is to be formed for the purpose of constructing a water-way on the St. Francis river about 9 miles from this town to Bassin, and to utilize the water power for the transmission of electric power to manufacturers in the locality.

PARRY SOUND, ONT.—A by-law to borrow \$6,500 to build a new school has been read a first time in Council.

YARMOUTH, N. S.—The congregation of the First Baptist church have decided to build a new brick church, probably on the site of the present edifice. The new building will cost \$15,000 and equipment \$5,000. Construction will be commenced at an early date.

ST. JOHNS, QUE.—Mr. Papineau, civil engineer, is taking levels for the government of drains of this town, to report on the feasibility of running all the drains into one common receptacle, and conducting the discharge about a mile and a half below the town and out under the canal.

WINNIPEG, MAN.—The Northwest Electric Company contemplate making improvements to their plant.—Tenders are being called for the erection of a nurses' home in connection with the isolated department of the General hospital. Estimated cost, \$8,000. H. McCowan, architect.

WINDSOR, ONT.—J. G. McLean, architect, has prepared plans for a lodge hall to be erected on Goyeau street by the Ancient Order of Foresters. The building will be three stories with pressed brick front. Estimated cost \$10,000. The Salvation Army are considering the erection of a new barracks, at a cost of \$6,000.

QUEBEC, QUE.—At the last meeting of the City Council letters were read from Messrs. Bender and Bikerdike, offering to build refrigerators here to facilitate the exportation of perishable articles, on condition that the city guarantee the interest at 4 per cent on \$100,000. If the council declines the offer, it is said the refrigerators will be constructed near Montreal. The cost of construction would be \$500,000.—Mr. Tanguay, of the firm of Tanguay & Vallée, architects, has prepared plans for the proposed building for the St. Roch's library, and tenders will be asked for at an early date.—Mr. A. Charlebois has purchased property on the Grand Allee on which it is his intention to erect a number of cottages costing over \$40,000.

HAMILTON, ONT.—The residents of Wood street have petitioned against the construction of an intercepting trunk sewer along that street, from James street to Ferguson avenue.—The Board of Works has decided to recommend that Trinidad asphalt be used for the paving of King and James streets. The by-law to authorize the expenditure of \$150,000 on the work will be submitted to the ratepayers on the 26th of June. The officials of Centenary church are considering the erection of a new Sunday School building.

Building permits have been granted as follows. Anthony Copp, six two and a half story brick stores on King street between Walnut street and Ferguson ave., cost \$7,000; two story brick dwelling on Hannah street, between Queen and Kent streets, cost \$1,200.
