

The Best Year's Record

The year 1901 was the banner period for the North American Life. Its new business largely exceeded that of any year in its history of 21 years. Applications were received for over **Six Millions**, and policies issued exceeding **Five and One-half Millions**. The insurance in force is now about **Twenty-Eight and One-Quarter Millions**.

The results to policy-holders continue highly satisfactory, while the financial position of the Company is unexcelled.
