To investigate the merits of the work of Shaw's Business Schools of Toronto.

These include the Central Business College and Shorthand School with its seven City Branch Schools.

High Grade Courses are given in each of these schools under good conditions as to equipment and competent instructors.

The work of the Branch Schools is exactly similar and equal in every particular to that of the Main School. We could not allow it to be otherwise.

We maintain an Employment Department at the Main School and take good care of all our Graduates in the matter of situations.

Our work is thorough. Our graduates are successful. We covet an opportunity to serve capable young people in their preparation for a successful life.

Free calendar sent on request. Address W. H. Shaw, Pres., Yonge and Gerrard Streets, Toronto.
