is making new friends every day; you should see their letters—we will mail you copies of some if you will ask for them. One person has asked: What do you mean by saying that your mattress is always

“SENT ON SUSPICION.”

We mean just this: **Sleep on it 30 Nights** and if it is not all you have *hoped for*, if you don't believe it to be the equal in cleanliness, durability and comfort of any \$50 hair mattress ever made, you can get your money back by return mail —“no questions asked.” There will be no unpleasantness about it at all.

Send for Our Handsomely Illustrated Book and Price List whether you need a mattress now or not. It will interest you to know about the *best and cheapest* mattress in the world, and where you can buy one in your town.

**TAKE CARE! DON'T BE CHEATED!** Some furniture dealers, when they have not the Ostermoor Mattress in stock, will try to sell you an inferior imitation as a substitute. Be wise, refuse it. Without the tag sewed into the mattress with our trade mark printed (see picture above) none is genuine. Only one dealer in every town has the Ostermoor Mattress for sale.

*We have cushioned many churches. Send for our book, "Church Cushions."*

THE close of the 19th century marks a period in the world's history that will be noted for the many and wonderful improvements in methods of manufacturing and application of new principles. "A Better Way" has been revealed, especially in Writing Machines. The **Underwood** is a revelation in many respects—visible writing from start to finish—the latest tabulator—extraordinary speed and durability are a few of the many points in which it excels.
