RECENTLY PUBLISHED.

COMPLETE in two volumes Royal 8vo., THE FARMER'S GUIDE to SCIENTIFIC and PRACTICAL AGRICULTURE. Also the new and only correct edition of "STEPHENS'S BOOK OF THE FARM." By Henry Stephens, F.R.S., of Edinburgh. With an American Appendix, by J. P. Norton, Professor of Scientific Agriculture in Yale College, New Haven.

LETTER FROM MR. STEPHENS.

"REDDBRÉ COTTAGE, EDINBURGH, }
Sept. 30, 1851. }

"MESSRS. LEONARD SCOTT & Co.,

"Gentlemen—I beg to say that your 'Farmer's Guide' is the only genuine edition published in the United States of America of my work the 'Book of the Farm.' The edition circulating at present in the States under the title of the 'Book of the Farm' is taken from the first edition of my work, written ten years ago, which, in my second edition, I entirely remodelled, and in great part rewrote, adopting all the more recent improvements in the practice of agriculture suggested by scientific experiment, and making it, in effect, quite a new book.

"I am, Sirs, your obedient Servant,

HENRY STEPHENS.

"This work embraces every subject of importance connected with Agriculture in all its various branches, both theoretical and practical. Its clear and copious details, the fullness and accuracy of its formation, the completeness of every illustration, have, in an agricultural work on practice, never been equaled." It is arranged under four separate heads, represented by the four seasons of the year—Winter, Spring, Summer, and Autumn—and the notes of Professor Norton are appended in the same order, adding greatly to the value of the work by adapting it to the soil, climate, growth, &c., of this country. The united labors of two such distinguished writers constitute this the most complete and valuable agricultural work ever issued from the press. It comprises two large royal 8vo. volumes, and contains 1600 pages, besides 14 splendid steel engravings, and about 600 engravings on wood. The latter illustrates almost every implement of husbandry now in use: the various methods of plowing, planting, &c., &c.; and the former the domestic animals, the farmstead, &c. The work is elegantly printed on thick white paper, from the English stereotype plates, and neatly bound in emblematic gilt muslin, price \$6; in leather, \$8 50; in paper covers, \$5.
