

Consumption and Whooping Coughs.
L. de Bromon, M.D., Knight of Legion Honor, in his work on Consumption, says:
"The Consumption of 1850, never arises from either of the old, time and again Hypophosphite Salts. He considers the nature of Hypophosphites objectionable, preferring in fact the Salts separate, giving them alternately according to the Physiological or Pathogenic symptoms produced by either. He also says that the Hypophosphite Salts are generally impure."
KIDNEY PHOSPHOGENE
contains PURE HYPHOSPHITES with NORWAY GOD LIVER OIL, only. It is free from Iron or any other chemical which will account for its superiority to all other preparations offered for Whooping Coughs. Read below the certificate of Dr. Mayner, dated JANUARY 1881.
"The proprietor also has certificates from leading physicians in Toronto, St. John, Halifax, &c., of POTACRY LATE DATE, proving conclusively that Eagle's Pure Phosphate of Cream is the greatest preparation now in use."
Second Certificate from Dr. Mayner:
Halifax, Jan., 1881.
"Since giving you my last certificate I have had many opportunities of further testing your God Liver Oil, and as well of comparing its action with the EMULSIONS AND PREPARATIONS OF OIL IN THE MARKET. I may state that I BELIEVE IT TO BE THE BEST PREPARATION NOW OFFERED TO THE PUBLIC, the drugs and oil being of the very finest quality, while the facilities and machinery used for mixing them are of the most perfect kind. I have no hesitation in stating that where Old-fashioned RAGGERS' CREAM WILL BE FOUND TO BE SUPERIOR TO ANY OTHER THAT IS CLAIMED FOR IT BY ITS PROPRIETOR."

PUTTNER'S EMULSION
Has obtained the highest medical reputation of any other preparation known, and soon after taking it one is sensible that it is "just a bogus preparation" but performs all that it claims.

PUTTNER'S EMULSION.
I have used your Emulsion myself, and so have members of my family, and must say with signal benefit. Soon after taking it one is sensible that the article is not a "bogus" preparation, but all that it claims to be.
I am 62 years of age, indulging in the performance of three full Services each Lord's Day, besides week-day duties, and I am occasionally greatly indebted to your Emulsion for the tone and vigor in which I am able to go through the physically oppressive duty.
I have recommended it to patients suffering from coughs, colds, debility, &c., and I am thankful to add that the results have in every instance been attended with most beneficial results.
I wish you all success, and with every good wish, I am, Dear Sir, very faithfully yours,
J. J. FRASER, Episcopal Minister.

PUTTNER'S EMULSION.
I ESTEEM IT A SOVEREIGN REMEDY.
HELDAN, N. S., Feb. 7, 1881.
MR. C. E. PUTTNER, PH. M.
My Dear Sir—My physician having recommended me your Emulsion, and having used it for some time, I esteem it as a sovereign remedy. It has cured me quicker than anything I ever used, and I have no trouble taking it, as it digests easily.
Yours truly,
Mrs. A. GRASS, 97 Cornwallis St.

PUTTNER'S EMULSION.
A GREAT DESIDERATUM.
C. E. PUTTNER, PH. M.
I have much pleasure in stating that having had occasion to use the "God Liver Oil Emulsion with Iron and Hypophosphites," prepared by Mr. C. E. Puttner, containing as it does Iron in combination, I find it everything that could be desired where such a compound is required. It is also quite palatable, which is a great desideratum in all preparations of God Liver Oil.
