If your child is lacking the elements of perfect childhood, try Ridge's Food. It is the claim of the manufacturers, endorsed by hundreds, that it is the best food for the growing child. We believe more children have been successfully reared upon Ridge's Food than upon all the other foods combined. Try it, mothers, and be convinced of its worth. Send to WOOLRICH & CO., Palmer, Mass., for valuable pamphlet entitled "Healthful Hints." Sent free to any address. Its perusal will save much anxiety.

GRATEFUL-COMFORTING

EPPS'S COCOA.

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—*Civic Service Gazette.*

WELL SUITED.

WITHIN the last few months I have purchased, promiscuously, at RETAIL GROCERY STORES in this city, packages of

Woodill's German Baking Powder

and have subjected same to chemical analysis. The samples were found to consist of FRESH, WHOLESOME MATERIALS, PROPERLY PROPORTIONED. This Baking Powder is WELL SUITED FOR FAMILY USE and has been employed, when required, in my own household for many years.
