

## SICKNESS AMONG CHILDREN,

ESPECIALLY infants, is prevalent at all times, but is largely avoided by giving proper nourishment and wholesome food. The most successful and reliable is the Gail Borden "Eagle" Brand Condensed Milk. Your grocer and druggist keep it.

R. H. LEAR & Co., of the Gas and Electric Fixture Emporium, are not exhibiting at the Fair this year, but giving all time and energy to their palatial show rooms, 19 and 21 Richmond street west, and will be pleased to see any out-of-town customers there. Special quotations during Fair.

## AT THE SWELL CHOWDER PARTY.

ALGERNON—"Good Gawd! Cholly Jonah has fallen into the chowdaw!"

COOK—"That's bad. The other clams are sure to resent it!"

THE manufacturers of the "Myrtle Navy" tobacco invite the very closest scrutiny of its qualities. The expert whose trained senses teach him to recognise the exact quality of tobacco, and the smoker who judges by his experience in smoking it, will both come to the same conclusion that it is of the very highest quality anywhere to be found. It is made of the very finest Virginia leaf and is manufactured with the greatest possible care.
