PROSPECTUS.
This Institution is conducted by the fathers of the
Congregation of the Holy Cross.
It is located on the north side of Mount Royal,
and about one mile from Montreal. The locality is
both picturesque and beautiful, overlooking a
delightful country, and is without doubt unsurpassed
for salubrity of climate by any portion of Canada;
besides, its proximity to the city will enable parents
to visit their children without inconvenience.
Parents and Guardians will find in this Institution
an excellent opportunity of procuring for their
children a primary education, nurtured and pro-
tected by the benign influence of religion, and in
which nothing will be omitted to preserve their in-
tegrity, and implant in their young hearts the seeds
of Christian virtue. Pupils will be received be-
tween the ages of five and twelve; the discipline
and mode of teaching will be adapted to their tender
age. Unflinching attention will be given to the
physical, intellectual and moral culture of the youth-
ful pupils so early withdrawn from the anxious care
and loving smiles of affectionate parents. The
course of studies will comprise a good elementary
education in both the French and English languages,
viz.: Reading, Spelling, Writing, the elements of
Grammar, Arithmetic, Geography and History,
besides a course of Religion suitable to the age and
capacity of the pupils.

Iron in the Blood
PERUVIAN
AN
IRON
SYRUP
MAKES THE WEAK STRONG.
The Peruvian Syrup, a Protected
Solution of the Protoxide of
Iron, is so combined as to have
the character of an aliment, as
easily digested and assimilated
with the blood as the simplest
food. It increases the quantity
of Nature's Own Vitalizing
Agent, Iron in the blood, and
cures "a thousand ills," simply
by Toning up, Invigorating and
Vitalizing the System. The en-
riched and vitalized blood per-
meates every part of the body,
repairing damages and waste,
searching out morbid secre-
tions, and leaving nothing for
disease to feed upon.
This is the secret of the won-
derful success of this remedy in
curing Dyspepsia, Liver Com-
plaint, Dropsy, Chronic Diar-
rhoea, Boils, Nervous Affections,
Chills and Fevers, Humors,
Loss of Constitutional Vigor,
Diseases of the Kidneys and
Bladder, Female Complaints,
and all diseases originating in
a bad state of the blood, or ac-
companied by debility or a low
state of the system. Being free
from Alcohol, in any form, its
energizing effects are not fol-
lowed by corresponding reac-
tion, but are permanent, infu-
sing strength, vigor, and new
life into all parts of the system,
and building up an Iron Con-
stitution.
Thousands have been changed
by the use of this remedy, from
weak, sickly, suffering crea-
tures, to strong, healthy, and
happy men and women; and
invalids cannot reasonably hesi-
tate to give it a trial.
See that each bottle has PERU-
VIAN SYRUP written in the glass.

UNIVERSAL EXHIBITION OF 1868
FIRST-CLASS MEDAL
ALF. LABARRAQUE AND Co
QUINUM LABARRAQUE
Approved by the Imperial Academy
of Medicine
The Quinum Labarraque is an eminently
tonic and febrifuge Wine, destined to replace
all the other preparations of Peruvian Bark
The Bark Wines usually employed imme-
diate are prepared from Barks which vary
considerably in the degree to which they
possess the desired properties. Besides,
owing to the manner in which they are pre-
pared, these Wines contain scarcely more
than the traces of active principles, and
these always in variable proportions.
The Quinum Labarraque, approved by the
Academy of Medicine, constitutes, on the
contrary, a medicine of determined com-
position, rich in active principles, and on which
Physicians and Patients can always rely.
The Quinum Labarraque is prescribed
with great success for persons of weak con-
stitution, or for those debilitated by various
exhausting causes or past sickness; for youths
fatigued by too rapid growth; for young
girls whose development takes place with
difficulty; for women in childbirth; and for
aged persons enfeebled by years or illness.
It is the best preservative against Fevers.
In cases of Chlorosis, Anemia, or Greenish-
ness, this Wine is a powerful auxiliary of the
ferruginous preparations. In conjunction,
for example, with VALLEY'S PILLS, the rapidi-
ty of its action is really marvellous.

Ayer's
Cherry Pectoral,
For Diseases of the Throat and Lungs,
such as Coughs, Colds, Whooping-
Cough, Bronchitis, Asthma,
and Consumption.
Among the great
discoveries of modern
science, few are of
more real value to
mankind than this ef-
fectual remedy for all
diseases of the Throat
and Lungs. A vast
trial of its virtues,
throughout this and
other countries, has
shown that it does
surely and effectually
control them. The testimony of our best citi-
zens, of all classes, establishes the fact, that
CHERRY PECTORAL will and does relieve and
cure the afflicting disorders of the Throat and
Lungs beyond any other medicine. The most
dangerous affections of the Pulmonary Organs
yield to its power; and cases of Consumption,
cured by this preparation, are publicly known,
so remarkable as hardly to be believed, were
they not proven beyond dispute. As a remedy,
it is adequate, on which the public may rely
for full protection. By curing Coughs, the
forerunners of more serious disease, it saves un-
numbered lives, and an amount of suffering not
to be computed. It challenges trial, and con-
vinces the most sceptical. Every family should
keep it on hand as a protection against the early
and unperceived attack of Pulmonary Affec-
tions, which are easily met at first, but which
become incurable, and too often fatal, if ne-
glected. Tender lungs need this defence; and it
is unwise to be without it. As a safeguard to
children, and the distressing diseases which
beset the Throat and Chest of childhood, **CHERRY**
PECTORAL is invaluable; for, by its timely use,
multitudes are rescued from premature graves,
and saved to the love and affection centered on
them. It acts speedily and surely against ordi-
nary colds, securing sound and health-restoring
sleep. No one will suffer troublesome Influen-
za and painful Bronchitis, when they know
how easily they can be cured.
Originally the product of long, laborious, and
successful chemical investigation, no cost or toil
is spared in making every bottle in the utmost
possible perfection. It may be confidently relied
upon as possessing all the virtues it has ever
exhibited, and capable of producing cures as
memorable as the greatest it has ever effected.

DE LA SALLE INSTITUTE,

TORONTO, ONT.
DIRECTED BY THE CHRISTIAN BROTHERS.
This thoroughly Commercial Establishment is un-
der the distinguished patronage of His Grace, the
Archbishop, and the Rev. Clergy of the City.
Having long felt the necessity of a Boarding
School in the city, the Christian Brothers have been
uniting in their efforts to procure a favorable site
whom to build; they have now the satisfaction to
inform their patrons and the public that such a
place has been selected, combining advantages rarely
met with.
The Institution, hitherto known as the "Bank of
Upper Canada," has been purchased with this view
and is fitted up in a style which cannot fail to ren-
der it a favorite resort to students. The spacious
building of the Bank—now adapted to educational
purposes—the ample and well-devised play grounds
and the ever-refrushing breezes from great Ontario
all concur in making "De La Salle Institute" what-
ever its directors could claim for it, or any of its
patrons desire.
The Class-rooms, study-halls, dormitory and re-
fectory, are on a scale equal to any in the country.
With greater facilities than heretofore, the Chris-
tian Brothers will now be better able to promote the
physical, moral and intellectual development of the
students committed to their care.
The system of government is mild and paternal,
yet firm in enforcing the observance of established
discipline.
No student will be retained whose manners and
morals are not satisfactory; students of all denomina-
tions are admitted.
The Academic Year commences on the first Mon-
day in September and ends in the beginning of
July.
