

MARRIAGE HONORABLE IN ALL.

Marriage, among those who are not Christians, is a natural and lawful union. It is a state ordained by Almighty God as the proper condition of the human race, though not absolutely obligatory upon each and every individual. It is plain that God intended man and woman to live under a strong bond of union, associated together in all the interests, cares, and duties of life, separated into distinct families, nurturing and educating their own children. This idea and the existence of the family go together, and upon the existence of the family depends the existence of all society. That marriage in itself, apart from the Christian sanction, is a sacred union, in that it is a positive ordinance of God, and gives rise to numerous obligations which which an account is to be rendered, is evident from the history of the human race itself. All through the Old Testament we observe instances of marriage commanded by God, sanctioned and blessed by Him. And among the Jews, who held the true divine tradition, we find the single state regarded as disgraceful, and sterility in the marriage life not only looked upon as a reproach, but also considered as a mark of the displeasure of God. Parents were always held in honor, and considered themselves blessed according to the number of their children. "Blessed is the man," says the Psalmist, "who hath his desire filled with them; he shall not be confounded when he shall speak to his enemies in the gate." The blessings of a numerous and healthy offspring depend upon the sacred character and inviolability of marriage. So we see that where marriage is lightly esteemed, among those who practice the infamous and unnatural system of divorce, children are regarded as disagreeable impediments to their disunion; and where a large family is not thought to be an honor, or blessing from God, there you will find marriage degraded to a civil contract at will, and its most solemn obligations violated in the grossest manner.

A meek-faced, plausible young man copied out of the directory the names and addresses of all the pastors in Hannibal, Mo., and began a round of calls at their houses, with a story that he was a theological student in distress. He was careful to belong to the same denomination as the particular minister he was at the time visiting, and his talk was exceedingly deceptive. He went to three parsonages on the first day, getting a meal and some money at each. In the evening, however, one of his helpers overheard him telling his lie to a fourth clergyman and had him arrested.

(G26)

SCIENCE IN FI PROGRESS.
Thousands cured. Coughs, Bronchitis, Asthma and Lung diseases by Dr. M. Souville's Spirometer, an instrument which conveys medicinal properties direct to the parts affected. These wonderful instruments are used in all first-class hospitals, and are prescribed by leading physicians. Full directions for treatment sent by letter, and instruments expressed to any address. It is only since Dr. Souville's invention that lung diseases are no longer feared except in their very last stage. Write for particulars to Dr. M. Souville, ex-Aide Surgeon of the French Army, 13 Phillips Square, Montreal. Read the following notices:—
(From the Montreal Gazette, December 24th, 1880.)

We are pleased to notice that a great many of our best citizens have bought Dr. M. Souville's Spirometer, which is used for the cure of those terrible diseases known by the name of Nasal Catarrh, Bronchitis and Asthma, and it is so highly spoken of as if those instruments and preparations were infallible in the cure of such complaints, and, to satisfy our curiosity, we visited Dr. M. Souville at his office, 13 Phillips Square, Montreal, and gave a thorough examination of his invention, so that we can speak with our own authority of it. We think that such a method, which conveys medicinal properties direct to the organs affected by those distressing diseases, cannot fail to be a benefit to humanity, instead of pouring drugs into the stomach and deranging digestion. These wonderful instruments, with their contents, were invented by Dr. M. Souville after long and careful experiments in chemical analysis, and used in hundreds of cases treated by him in the hospital of Europe. We find the Doctor a well learned gentleman, and he invites physicians and sufferers to try his instrument free of charge.

Continued Sense in Medicine.
(Montreal Star, January 6, 1881.)
Dr. M. Souville, the Parisian physician and inventor of the Spirometer for the relief of the treatment of diseases of the lungs and air passages, who recently took up his residence among us, is meeting with excellent success. Already the doctor has had hundreds of patients who have given his system a trial, and as far as we have learned, with both satisfaction and benefit. Dr. Souville makes a departure from the usual methods of treating diseases of the air passages. He contends that the proper mode of treating them is by inhalation and absorption, not by pouring drugs into the stomach and thus upsetting and deranging one part of the system in the hope of benefiting another. This argument certainly has the advantage of being common sense, which is always the best kind of sense. The doctor certainly has the courage of his opinions and confidence in his system, for he gives a standing invitation to physicians and sufferers to visit him and test his instruments free of charge. His office is at 13 Phillips Square, Montreal.

Ayer's Hair Vigor,

FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR.

It is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, thin, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often brought not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brassy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The Vigor cleanses the scalp, cures and prevents the formation of dandruff; and by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies' Hair

The Vigor is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence.

Spavin Cure.

KENDALL'S SPAVIN CURE

THE MOST SUCCESSFUL REMEDY ever discovered, as it is certain in its effects and does not blister. Also excellent for human flesh. Read proof below.

From **COL. L. T. FOSTER,**
Youngstown, Ohio, May 10th, 1880.

DR. B. J. KENDALL & Co., Gentls.—I had a very valuable Hambletonian colt which I prized very highly, he had a large bone spavin on one joint and a small one on the other which made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him, and was one day reading the advertisement of Kendall's Spavin Cure in the "Chicago Express," I determined at once to try it, and got our druggist here to send for it, they ordered three bottles; I took them all and thought I would give it a thorough trial, I used it according to directions and the fourth day the colt ceased to be lame, and the jumps have disappeared. I used but one bottle and the colt limbs are as free from lumps and as smooth as any horse in the state. He is entirely cured, and was so remarkable in his effect, that my neighbors have the remaining two bottles, who are now using it. Very Respectfully,
L. T. FOSTER.

KENDALL'S SPAVIN CURE.

From **W. H. HUNTER, M.D.,** Jan. 11, 1881.

B. J. KENDALL & Co., Gentls.—Having got a horse book of you by mail a year ago, the contents of which persuaded me to try Kendall's Spavin Cure on the hind leg of one of my horses, which was badly swollen and could not be reduced by any other remedy, I got two bottles of Kendall's Spavin Cure of Dr. Prescott & Lodiath, Druggists, of Waseca, which completely cured my horse. About five years ago I had a three year old colt sweated very bad, I used your remedy and in a few days he was out of the sweat, and I must say, to your credit, that the colt is entirely cured, which is a surprise not only to myself, but also to my neighbors. You send me the book and I will send you 25 cents, and if I could not get another like it I would not take twenty-five dollars for it.

Yours truly, **GEO. MATTHEWS.**

KENDALL'S SPAVIN CURE.

PASTOR of M. E. Church, Patten's Mills, N. Y., Feb. 21st, 1878.—DEAR SIR:—The particular case on which I used your Kendall's Spavin Cure was a malignant ankle sprain of sixteen months' standing. I had tried many things, but in vain. Your Spavin Cure put the foot to the ground again, and, for the first time since hurt, in a natural position. A family liniment it exceeds everything else ever used.

Yours truly, **REV. M. P. BELL.**

KENDALL'S SPAVIN CURE is sure in its effects, mild in its action, and it does not blister, yet it is penetrating and powerful to reach every deep seated pain or to remove any bony growth or other enlargements, such as spavins, splints, curbs, callous, sprains, swellings, and any lameness and all enlargements of the joints or limbs, or for rheumatism in man and for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mild and certain in its effect. Send address for Illustrated Circular, which we think gives positive proof of its virtues. Price \$1 per bottle, or six bottles for \$5. All Druggists have it or can get it for you, or it will be sent to any address, on receipt of price, by the proprietors, **DR. B. J.
