BELLS! BELLS!! BELLS!! BELLS!!!

FOR Churches, Academies, Factorics, Steamhoats, Panations, etc., made, and a large assortment kept constantly on hand by the Subscribers, at their old established, and enlarged Foundry, which has been in operation for Thirty Years, and whose patterns and process of manufacture so perfected, that their Bells have a world wide celebrity for volume of sound and quality of tone. The present Proprietors have recently succeeded in applying the process of loam moulding in Iron Cases to Bell Casting—which secures a perfect casting and even temper; and as an evidence of the unimpaired excellence of their Bells, they have just received—Jan. 1854—the FIRST PREMIUM (A Süver Medal) of the World's Faiz in New York, over all others, several from this country and Europe being in competition; and which is the 18th Medal besides many Diplomas, that has been awarded them. They have patterns for, and keep on hand, Rells of a variety of tones of the same weight, and they also furnish to order Chimes of any number of Bells, or key, and can refer to several of their make throughout the States and Canada. Their Hangings, comprising many recent and valuable improvements, consist of Gast Iron Yoke, with moveable arms, and which may be turned upon the Bell; Spring acting on the Chapper, prolonging the sound; Iron Frame; Tolling Hammer; Counterpoise; Stop; etc. For Steamboats, Steamships, etc., their improved revolving Yoke, or Fancy Hungings in Brass or Bronze of any design furnished. We can supply whole sets, or parts, of our Improved Hangings, to reliang Bells of other construction, upon proper specifications being given. Old Bells taken in exchange.
