Dysentery, Relax, and Worms.

Post Office, Hariland, Liv. Co., Mica, Nov. 16, 1855.

DE. Aven: Your Pills are the perfection of medicine. They have done my wife mere good than I can tell you. She had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which som cared her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it had, and my wife cured him with two does of your Pills, while others around us paid from five to twenty dollars doctors bills, and lost much time, without being cared outrely even then. Such a medicine as yours, which is actually good and honest, will be prize here. GEO. J. GRIFFIN, Patimaster.

We need not speak to the public of its virtues. Throughout every town, and almost every handet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without zone personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the threat and lungs. While it is the most powerful autidots yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons.
