# THE TRUE WITNESS AND CATHOLIC CHRONICLE \_\_\_\_JULY '28 1865.

MURRAY & LARMAN'S FLORIDA WATER Is repidly gending to oblivion a host of toilet waters which have long been a disgrace to the dressing room, and a misance to persons of refined taste. Less expensive than the European Extracts, it is as pure, deli-· cate and lasting a floral essence, while it possesses superior cosmetic properties. Gentlemen, whose skins resent the manipulation of the razor, can immediately mollify the irritation of the surface, by moistening the 'chin new reaped' with this balsamic cooling and fragrant essence of tropical flowers. See that the names of 'Murray & Lanman' are upon every wrapper, label, and botile; without

this none is genuine. \_E1 202 Agents for Montreal:-Devins & Bolton, Lampiongh & Oampbell, Davidson & Co., K. Campbell & Oo., J. Gardner, J. A. Harte, Picault & Son, H. R. Grav, J. Goulden, R. S. Latham, and all Dealers in Medicine.

The relaxing heat of summer leave behind them a long train of evils. The most universal of these are general debility, and its sure attendant, lowness of spirits. For these we can recommend a speedy and nnfailing cure in the shape of Hoofland's German Bitters, prepared by Dr. C. M. Jackson, Philadel-phia. It is, in our opinion, a medicine sui generisalone,-unapproachable. It seems to reach the fountain head of the difficulty in the digestive organization, and thus to relieve the secretions and blood of the maceries morbi, or cause of disease. Its tonic properties gives vigor to the membranes of the stomach, and promote the secretion of the gastric juice, which dissolves the food, while its cordial, soothing, and alterative influence, imparts general regularity and strength to the action of the secretive organs, and seems to fortify the constitution. Such is our own experience of its effects, and we believe it is confirmed by the evidence of all who have tried it, or had an opportunity of witnessing its operation. SINCE THE

SURRENDER OF GENERAL LEE, 'Is that of M'GARVEY'S determination to REDUCE the Price of his entire STOCK

FIFTEEN PER CENT.

THE Subscriber, in returning thanks to his Friends L and Uustomers for the liberal patronage extended to him during the last 15 years, wishes to inform them of the extension of his SHOW ROOMS and STOCK during the past winter, in order to supply the increasing demands of his business, and especially since his removal to the new buildings, notwithstanding the reports that some of his rivals in trade have endeavored to circulate of his having been sold out and left the place. These statements have been made to many of my customers with the hope that they would take no further trouble in finding out my new place of business. These and similar contemptible statements, which I consider too low to take further notice of, have induced me to make a few remarks. First, I would say shat I am not sold out, neither have I left the city, but can be found any time during business hours at my new wererooms, Nos. 7, 9, and 11 ST. JOSEPH STREET, second door from M GILL STREET. I call on any party in Cadada or the United States, from whom have purchased goods since my commencement in business, to say if I owe them one dollar after due or ever had an extenual or renewal during that time.---If those parties would only devote their time and attention to business as I have done, they would not have to resort to such contemptible means of getting trade. Seeing the desire that exists with a portion of the trade to run me off the track, I am now aroused to a new emergency, and determined to reduce the prices of my goods at least FIFTEEN PER CENT., which the advantage of the largest and best adapted premises, together with getting up my stock entirely for cash during the past dull winter, will justify me in doing, having given up importing Chairs and Furniture from the States for the last two years, and engaged largely in the manufacture of Cane and Wood Seat Chairs and Furniture of every description, and made the Chair business a very important branch of my trade, having now on hand over 11,000 Cane and Wood Seat Chairs, of 32 different patterns, many of which are entirely new terent patterns, many of which are eathery new styles. My prices will be reduced on and after Monday, the 17th instant, as follows: --Wood Seat Chairs formerly 35 cents, will be sold at 30 cents, and every other kind of Wood Seat Chairs will be reduced from 5 to 10 cents, large Rockers, with arms, S1,15, formerly \$1,30, and every style of Caue Seat Obair will be reduced from 10 to 25 cents. The nsual line o discount will be allowed to the trade and all wholesale customers. To enumerate my stock would be useless, but I will give an outline of my new buildings and a few leading articles of stock. My present SHOW ROOMS were built by myself in 1863, with every facility for carrying on the most extensive wholesale and retail furniture business in Montreal, and is 60 feet front by 97 feet deep. The first floor is used for book and Library Cases, from S25 to S100; Wardrobes, S20 to S90; Dining Tables \$10 to\$50; Bureaus, \$10 to 30; and various kinds of weighty and bulky goods. The second floor for the display of fine Parlour, Dining and Chamber Suites, from \$60 to \$250; Fancy Chairs, What-nots, and such other light goods. Also, Solid Mahogany, Walnut, Oak, Ash and Chesnut, with walnut carving, and marble and wood tops. Painted and Grained Suites, in all the differnt imitations of wood and ornamental colours, with wood and marble tops, varying in price from \$16 to \$75; Hair Mattrasses, from 20 to 50 cents per lb; Geese and Poultry Feathers, from 25 to 75 cents do. ; Moss, Husk, Sea Grøss and other common Mattrasses, from \$2,50 to \$6 each 30 hour and eight day Olocks, from \$2 to \$15 each ; Gilt Rosewood, Mahogany and Walnut Toilet Glasses, from \$1 to \$25 each, -with every article in the Furniture line a equally low prices. A large supply of solid Mahogany and Vineers of all sizes and other Gabinet Lumber kept constantly on hand; with Curled Hair, Webbing Springs, Glue, and every article in the trade, which will be sold at the lowest prices for cash, or in exchange for firstclass furniture in order to avoid the necessity of having to sell surplus stock at auction. I have always adopted the motto of quick sales and light profits, which has se-cured for me a steady trade at the dullest season of the year. To those in want of furniture I would say don't take my word, but call and examine the stock and prices before purchasing elsewhere. If not for my late removal, and the statements above alluded to, I would consider the present notice

For this reason they are decidedly the most successful alterative medicine ever prescribed for paralysis, palsy, nervous weakness, general debility, and vertigo or dizziness. These complaints are always in some degree connected, either as effects or causes, with a morbid condition of the stomach, the liver, or the intestines. Upon these organs the Pills act with a directness, promptitude, and curative power, that is simply astonishing, while at the same time they communicate vigor to the whole organization. AYER'S CATHARTIC PILLS

ARE the most perfect purgative which we are able to produce or which we think has ever yet been made by anyjbody. Their effects have abundantly shown to the community how much they excel the ordinary medicines

They are safe and pleasant to take, in use. but powerful to cure. Their penetrating pro-perties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural astion, and impart a healthy tone with strength to the whole system. Not only do they cure the every day com-plaints of everybody, but also formidable and dan-gerous diseases. While they produce powerful ef-fects, they are at the same time, in diminished doses. the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take ; and, being purely vegetable, and free from any risk of harm. Cures have been made which surpass belief, where they not substantiated by men of such exalted position and character, as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of our remedies, while others have sent us the assurance of their conviction that, our Preparations contribute immensely to the relief of our afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis our American Almanac, containing directions for the use and certificates of their cures, of the follow

Dropsy, Heartburn, Headache arising from foul stomach, Nausea, Indigestion, Morbid Inaction of the Boweis and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases which require an evacuant medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidney, Gout, and other kindred complaints arising from a low state of the body, or obstruction of its functions. Do not be put off by unprincipled dealers with other preparations which they make more profit on. Demand Aven's and take no others. The sick want the best aid there is for them, and they should have

that I give you the particulars of the cure effected upon me by the use of the BRISTOL'S SARSAPA-RILLA bought from you. A severe and painful rheumatism had troubled me for years, rendering my right arm almost useless, and extending across my chest and down my back, made me unable to walk, and comparatively helpless, besides much pain in the side, from what my family doctor called liver disease. Mr. Kennedy, my neighbor, on whom the BRISTOL'S SARSAPARILLA produced almost a miraculous cure, advised me to try a bottle or two. I did so, taking at the same time, as directed by you, a couple of BRISTOL'S SUGAR COATED PILLS occasionally.

#### The New York Tribune says, 'the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things. "... I owe much to you, for I verily believe the Plantation Bitters have saved my life.

### "THE LAMP,"

New and Improved Series, in Weekly Numbers, price ld. In Mouthly parts, price 6d. The Lamp in 1865.

It is little more than two years ago since the New Series of the Lamp commenced. The great increase in its circulation has been the most convincing proof that satisfaction has been given by the improvements the Ocean Steamers at Quebec may depend to be in effected in the periodical. It has been the happiness of the Oonductor of this Magazine to receive the benediction of the Holy Father on the undertaking. A distinguished Preiate wrote from Rome as follows to the Proprietor of the Lamp: 'I have presented the Lamp to the Holy Father. He was much pleased,

and directed me to send you his blessing, that you and all your works may prosper.' We have also had the assurance of the satisfaction of his Eminence the late Cardinal Wiseman, in whose archdiocese the Lamp is published, and whose kind assistance to the undertaking has been evinced several times by the contributions from his pen which are to be found in our columns. We are authorized to say that "His Eminence has been much pleased with the progress of the Lamp, and the position it has taken.

Encouraged, therefore, by the blessing of the Vicar of Christ, which is never unfruitful, and the approval of his Eminence, the Conductor of the Lamp looks confidently for increased support from the Catholic public. Much has been done to improve the Lamp; much remains to be done; and it rests chiefly with Catholics themselves to effect the improvement. Our adversaries, and even we ourselves, often point to the well-got up Protestant publications, and ask why Catholics cannot have something as good in point of material, ability, illustrations, &c. Nothing is more easy. If every Catholic who feels this, and who desires to to see a Catholic Magazine equal to a Protestant one, will take in the former for a year, there is at least a good chance of his wishes being realised. If every priest would speak of the under-

taking in his parish once a year, and encourage his people to buy the Lamp instead of the various cheap publications too rapidly making their way among our youth, and our poor-pulications which can hardly be called Protestant, because they have no religion, and often openly teach immorality-the success of the Catholic Magazine would be assured.

It is their immense circulation, and the support they obtain from their respepective political or religious parties, which enables these journals to hold their ground; and unless Catholics will give their hearty and cordial support to their own periocals in a similar manner, it is impossible for them to attain superiority.

The LANP has now the largest Oirculation of any Oatholic Periodical in the English language. It contains this week a New Story of great interest, and other articles of sterling merit, with illustrations

New BEDFORD, Mass., Nov. 24, 1863. Dear Sir :- I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.—Respectfully, JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq, of 159 West 14th Street, N.Y. says, the has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, azd has a child now eighteen months old which she has nursed and reared herself, and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them. They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an impostor. We sell it only in bottles. Sold by principal dealers throughout the habitable

globe.
