THE Hamilton *Times* says that the "Hamilton
Tool Manufacturing Company" has been formed
with a subscribed capital of \$50,000. The site
chosen for its operation is near the Great West-
ern Railway station in Hamilton.

A PETITION for discharge presented by an in-
solvent named Samuel to Judge Mondelet, in
the Court of Review, Montreal, was refused.
The grounds of refusal were that the insolvent
was bound to prove that he had complied with
the requirements of the Act, which was denied
by the creditors; this he could not do; and be-
cause he could not give a satisfactory explana-
tion of suspicious circumstances. There were
\$14,000 unaccounted for, and no regular books
were kept. To grant such a man his discharge
would be nothing less than an abuse of the pow-
ers conferred by the Act.
