

c) COMMENTS

The comment button allows the reader to communicate ideas to CFSI. The comment is saved in a database that will be read by CFSI periodically.

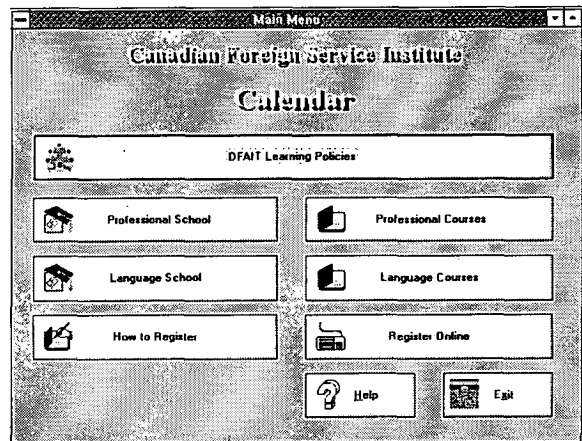

PRINTING

This version of the software permits printing of the full table of contents of each

module and printing of each course description separately. It does not permit printing of the schedule window, the policy window or the comment window. This may be added in a later version.

EXITING

In order to exit the application, click the main menu button and then click the Exit button of the main menu.

For more information about this application, contact Jean-Pierre Leduc (CFSI) 996-7587 or meet us in June (date to be decided), in the LB Pearson lobby at our demonstration stand.

For information about the Professional School, call Judith Gould (CFSP) 944-0037. For information about the Language School, call Nicole Coulombe (CFSL) at 944-7178.

SIGNET News is published fortnightly by the SIGNET Client Services Division (STC) and distributed in Canada and at missions abroad to all employees of the Department of Foreign Affairs and International Trade.

Units wishing to have a notice published in the *SIGNET News* should forward the text to STC with a memo signed at the director level. All readers are invited to send to the SIGNET Suggestion Box draft articles they wish to have published.
