

**EXCHANGE OF LETTERS (JUNE 29 AND JULY 6, 1950) BETWEEN
CANADA AND THE UNITED STATES OF AMERICA PROVIDING
FOR THE RENEWAL OF THE ARRANGEMENT OF 1942 FOR THE
EXCHANGE OF AGRICULTURAL LABOUR AND MACHINERY.**

I

*The Under-Secretary of State for External Affairs
to the Ambassador of the United States of America*

DEPARTMENT OF EXTERNAL AFFAIRS

OTTAWA, June 29, 1950.

DEAR MR. WOODWARD,

By an exchange of letters dated April 5 and April 7, 1949*, our Governments renewed for the duration of 1949 an agreement first entered into in 1942 for the exchange of harvesting machinery and crews in the prairie regions of Canada and the United States, and for other movements of farm labour between our two countries.

During the past year the results achieved under this agreement have proved very satisfactory, and for this reason the Canadian Government wishes to extend the agreement through 1950. I would appreciate your letting me know whether the United States Government shares this desire.

Should this proposal meet with the approval of your Government, it is the suggestion of my Government that this letter and your reply be considered the formal extension, until the end of 1950, of the agreement which was effective last year, and that the details of the movement of farm labour and machinery mentioned above be arranged between the Canadian and United States officials directly concerned.

Yours sincerely,

A. D. P. HEENEY.
