

ARTICLE 16

Directors' Fees

Directors' fees and other similar payments derived by a resident of a Contracting State in that resident's capacity as a member of the board of directors of a company which is a resident of the other Contracting State may be taxed in that other State.

ARTICLE 17

Artistes and Sportspersons

1. Notwithstanding the provisions of Articles 14 and 15, income derived by a resident of a Contracting State as an entertainer, such as a theatre, motion picture, radio or television artiste, or a musician, or as a sportsperson, from that resident's personal activities as such exercised in the other Contracting State, may be taxed in that other State.

2. Where income in respect of personal activities exercised by an entertainer or a sportsperson in that individual's capacity as such accrues not to the entertainer or sportsperson personally but to another person, that income may, notwithstanding the provisions of Articles 7, 14 and 15, be taxed in the Contracting State in which the activities of the entertainer or sportsperson are exercised.

3. The provisions of paragraphs 1 and 2 shall not apply to income derived from activities exercised in a Contracting State where such activities are wholly or substantially supported by public funds of the other Contracting State or a political subdivision or local authority thereof. In such case, the income derived from such activities shall be taxable only in that other Contracting State.

ARTICLE 18

Pensions and Annuities

1. Pensions and annuities arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. Pensions arising in a Contracting State and paid to a resident of the other Contracting State may also be taxed in the State in which they arise and according to the law of that State but, in the case of periodic pension payments, the tax so charged shall not exceed the lesser of:

- (a) 15 per cent of the gross amount of such periodic pension payments paid to the recipient in the calendar year concerned in excess of twelve thousand Canadian dollars or its equivalent in Algerian dinars; and
- (b) the rate determined by reference to the amount of tax that the recipient of the payment would otherwise be required to pay for the year on the total amount of the periodic pension payments received by the individual in the year, if the individual were resident in the Contracting State in which the payment arises.

The competent authorities of the Contracting States may, if necessary, agree to modify the above-mentioned amount as a result of monetary or economic developments. For the purposes of this paragraph, the term "pensions" does not include payments under the social security legislation in a Contracting State.
