POSTPONEMENT OF SWINE INFLUENZA VACCINATION PROGRAM—MOTION UNDER S.O. 43

Mr. Paul Yewchuk (Athabasca): Mr. Speaker, I rise under the provisions of Standing Order 43 to move a motion of urgent and pressing necessity. In view of the fact that public confidence in the swine 'flu vaccination program has been seriously eroded by a possible relationship to a post vaccination paralysis, that there have been many difficulties in supply, production and distribution of the vaccine, that 1.6 million doses are not usable at all and that there is no evidence of an epidemic developing, I move, seconded by the hon. member for Peace River (Mr. Baldwin):

That the program be shelved for now and be reinstated only if there is evidence of an epidemic developing.

Mr. Speaker: Such a motion can be presented to the House only with its unanimous consent. Is there unanimous consent?

Some hon. Members: Agreed.

Some hon. Members: No.

SUGGESTED SITE FOR LOCATION OF MEDIUM SECURITY INSTITUTION IN NEW BRUNSWICK—MOTION UNDER S.O. 43

Mr. Mike Landers (Parliamentary Secretary to Minister of Justice): Mr. Speaker, I rise on a matter of urgent and pressing necessity under the terms of Standing Order 43. In view of the fact that a number of Saint John, New Brunswick citizens are concerned about a proposal to build a medium security prison within the Saint John city limits, and in view of the fact that my government and I would not want inmates to suffer the trauma of that "unwanted feeling", I move, seconded by the hon. member for Northumberland-Miramichi (Mr. Dionne):

That this House encourages the Department of the Solicitor General to seek an alternative to the proposed prison site within the Saint John city limits, and preferably the new location would be in the Blue Mountain or Renous areas of New Brunswick.

[Mr. Muir.]

Mr. Speaker: A motion under Standing Order 43 can be presented to the House only with its unanimous consent. Is there unanimous consent?

MANPOWER

EXTENSION OF DEADLINE FOR YOUNG CANADA WORKS PROGRAM—MOTION UNDER S.O. 43

Mr. Cyril Symes (Sault Ste. Marie): Mr. Speaker, I rise to move a motion under the provisions of Standing Order 43. In view of high regional unemployment among young people, especially in Atlantic Canada, where a 1976 summer survey in Glace Bay, for example, found 77 per cent of young people unemployed, and in view of the fact that the deadline for Young Canada Works is February 4, which is much too early for young people to apply for aid under this new program, I move, seconded by the hon. member for Brant (Mr. Blackburn):

● (1410)

That the Minister of Manpower and Immigration extend the application deadline for Young Canada Works to April 1, 1977.

Mr. Speaker: Order, please. Pursuant to Standing Order 43 such a motion cannot be presented to the House without its unanimous consent. Is there unanimous consent?

Some hon. Members: No.

STATUS OF WALTER RUDNICKI—LIST OF INDIVIDUALS ALLEGEDLY FORMING EXTRA-PARLIAMENTARY OPPOSITION—MOTION UNDER S.O. 43

Mr. F. Oberle (Prince George-Peace River): Mr. Speaker, I rise on a matter of urgent and pressing necessity pursuant to the provisions of Standing Order 43, relating to a serious matter having grave implications for parliament, the public service and civil liberties in this country, namely, the matter of Mr. Walter Rudnicki, who was wrongfully dismissed from the public service of Canada as was confirmed by Mr. Justice O'Driscoll of the Ontario Supreme Court in an action against this government. I move, seconded by the hon. member for Central Nova (Mr. MacKay):

That the status of Walter Rudnicki and all those factors which, as yet, have not become public knowledge but which had a direct bearing on the action the government took, be made public in the form of a motion either by the Prime Minister or a minister whom he considers appropriate and, in particular, that this motion deal with the existence or otherwise of a list reported to contain names of individuals who allegedly form an extra-parliamentary opposition to the government.
