Sir Arthur Currie,
Principal, McGill University,
Montreal.

Dear Sir Arthur:

Subject - GROUNDS COMMITTEE.

As suggested at the last Meeting of the Grounds Committee, I have asked Mr. W.O. Roy, the Landscape Architect, to act on the Committee and he has agreed to co-operate in every possible way.

In order that he should be familiar with the situation, I have walked over the grounds with him and I now propose to call a Meeting in the near future to lay out a programme for the Summer months.

I will be in New York over the week-end but expect to be able to call the Meeting early next week.

Sincerely yours,

FCM/NBH.
