

ministers,
that parlia-
ment, without
doubt I heard
they have tried
to get into
the country as I do ;
the country to be
the same? *This*
is of far more
importance or adverse
consequences than

the same, and its
favour, is
realized the
fact has been
though it
many days,
has been my
and near,
England nor
and arrange-
ment to their
(here.) My
prepare for
had been
structure and
the matter I
due.

the same of the
and I can
inculcate
England,
though
