Spend to Save--A Paradox

It needs the jolt of a paradox sometimes to make one see the truth. It's a good thing to put money in the savings bank, but not if you find its buying power diminished when you withdraw it. The weather and the war have made manufacturers ready to give the buying public "great snaps" this month. Our buyers with ready money have secured some of them for you. To-day's store news tells of how you may save by spending. Do it now!
