SHAMROCKS EASY FOR BLUE SHIRTS

Marshall's Men Outclassed Irishmen at All Stages in Pro Fixture at Arena.

Terontos are the best of the two local pro clubs. This was demonstrated at the Arena last night, when the blue shirts toyed with the Shamrocks and made it these out of four on the season's games. The score was 5 to 1, and just about indicates the play. Many of the fans looked for a Shamrock victory after Saturday's performance, but the orange and black forwards looked like men overworked and they were never in the hunt with the fast and tricky Toronto line.

Torontos teamed up at all times and Shamrocks could never get together. They passed poorly and their shooting was worse. The defence only went well in spots, opening up before a three-man Toronto rush times without number, and it was only Lesueur's good work that kept the score within reasonable bounds. Cameron and Carpenter worked nicely together all night and kept the Shamrock dorwards well out. Hesson relieved Lesueur for a few minutes in the second period and retired after ducking one of Cameron's shots that went into the net over his head.

Civell Depneny was the best of the

Cameron's shots that went into the new over his head.

Cyril Denneny was the best of the Shamrock forwards. Brother Corbett was away below his saturday form. He looked played out and only went in spots. Ronan was only used in spells and was hardly up to form. Trenouth got a show in the last round and he made good. He is a clean checker and a good puck-

Walker and Foyston did grand work.

Who is Contractor, Sure Thing Hockey Gambler?

MONTREAL, Feb. 24 .- President T. Emmett Quinn of the N.H.A. today made public the affidavits sworn out by Henry Mummery and Trainer Dave Beland of the Quebec team, in regard to the alleged attempts to bribe them to throw the same between Quebec and the Shamrocks n Toronto last Saturday. The affidavits, which have been sent to Mr. L. Solman of the Toronto Arena, are accompanied by a request from Mr. Quinn to communicate them to the crown attorney of Toronto and ask him to take action. President Quinn said today the present exposures were the culmination of systematic underhand work that had been going on for some time, as the dealings with the Canadiens, Torontos, Shamrocks and Ottawas had proved. He said he had asked that all the men suspected of attempting to bribe players be barred from matches.

of the Quebec team to throw the gar with the Shamrocks.

Esland repeats his allegation that I was offered fifty dollars if the Shamrock won the game last Saturday night. In a supplementary affidavit Mumme alleges the money was to be left in room in the hotel, to which room he was to be given a key.

MUST OVERCOME LINDSAY'S LEAD

Arena Tonight-Lindsay One Goal Ahead.

Lindsay and Varsity play their second game of the junior O.H.A. semi-finals at the Arena tonight. Lindsay have a one-goal lead, secured on the checkerboard rink in Lindsay. The College kids should overcome this on the big hard ice and meet the winner of the Berlin Union Jack-Collingwood fixture in the final. Varsity were handicapped on the small rink at Lindsay and the going was heavy at all times. Varsity have the prettiest combination of any team playing at the Arena, and Lindsay will have to be a real smart team to beat the U. of T. squad. It should be a rattling good contest and will draw a big crowd.

The mild weather is playing havoc with the O.H.A. semi-finals, and Varsity-Lindsay game is the only one that will likely be decided this week.

The Berlin-Collingwood junior fixture scheduled for last night had to be post-poned, and the Collingwood-Orillia intermediate semi-final also was cancelled last evening.

Regina, holders of the Allan Cup, are to go on tour, and have wired the Arena asking that dates be given them to play the O.H.A. champions here. They will also play in Cleveland and New York.

Dr. Gilfillan of Uxbridge will referee the Varsity-Lindsay semi-final junior O. H.A. game at the Arena tonight.

A Boston despatch says: The Boston A.A. hockey team won easily from the Hochelaga team, leaders of the Montreal City League, tonight. The score was 7 to 4 The City Clerk's Office hockey team, who won their third straight game from city hall teams by beating the Medical Health Office at the Arena on Tuesday night, will play the fast septet from the City Treasurer's Office at the Arena this afternoon at 5 o'clock.

Hesson, the Shamrock spare goaler, was released after last night's game.

Kew Beach juniors and East Toronto will replay their protested game on Fri-day night, at 10.30, at the Arena. SPRANG A SURPRISE.

Association Elects Officers and Make Announcements on Account of the War.

The annual meeting of the Canadian Lawn Tennis Association was held at the Queen's Hotel. As in the previous year Canada last season entered a team in the Davis Cup contest. While they were defeated in the preliminary round at Chicago by the Australians (the ultimate winners of the cup) the secretary in his report referred to the very creditable showing made by the Canadian representatives. The treasurer showed a substantial surplus, due principally to the proceeds of this match. It was with deep regret that the meeting received the resignation of the hon. secretary, Mr. T. Y. Sherwell, jr., now resident in England. Owing to Canada being at war and the

absence at the front of so many tennis players the association decided not to enter a challenge for the Davis Cup this year, and further not to authorize for the present the holding of any championtournaments during the coming sea-
