

The church is filled with attentive worshippers, and the village is the sweet abode of industry, peace, and joy.

Yet there must be many blots in every picture, as long as Satan has power upon earth. There are still many unconverted people at Otaki, and there are still many scenes of misery: but the change is great.

Once ALL was dark and dismal;—now the DAYSPRING from on high has shined, and has guided many feet into the way of PEACE.
