Success has crowned all efforts and the big convention is on its way. Special committees have been appointed and all the machinery set in motion, and from now until next June there won't be an idle moment, as the caphable men in charge of arrangements, will be as busy as beavers. The keynote of success everywhere fills the air in knights circles, and everybody has his coat off and is down to business, and at the outset, the committee would urge both members and citizens to assist financially and otherwise in the gigantic undertaking.

There will be thousends of knights freedom or more as if they had been the continuous first twas a merry sight to, see the long list of sports.

There will be thousands of knights from all parts of Canada and the States assembled in Toronto next June, and when the gorgeous parade moves off thru our leading streets, it is estimated there will be from 15,000 to 20,000 men in line, in their dashing uniforms with chapeau, sword and belt.

As the chiltren reached the park they were handed the little box lunch and, in most cases, the first pick was the sweetest-looking candy, and the last to be devoured was the smooth.

It was by no means a shabby way in which the Toronto police entertained their guests at the anual games, and to assist them in giving the strangers a real good time, the Hamilton Steamboat Co. yesterday took them to Hamiston on the steamer Macassa. Inspectors Cuddy, Black, Dilworth and Miller, Sergeants McFarland and Chief Signal Operator Marshal Tripp were the accompanying Toronto officers.
