Note and Comment

Another popular figure is removed from Canadian racing circles by the ruthless hand of death. Despite all that human beings could do for him, Johnny Dyment, the popular Barrie turfman, died yesterday morning. Mr. Dyment was still a young man, in his thirtles. He had fairly good success both as a trainer and as an owner, and while training for his uncle he saddled two King's Plate winners—Thessalon in 1903 and Sapper in 1904. He trained during his time such good horses as Fort Hunter, Tongorder, Kinieydale and Chief Kee. Besides being a lover of the thorobred, Mr. Dyment took a keen interest in other sports, and for a number of years has been the man behind the hockey team at Barrie.

The local curling clubs took a rest last night from business. However, they resume to-night at Queen City with T. Rennie (Granites) v. S. H. Armstrong (Parkdale) for the single rink championship and F. Blaylock (Aberdeens) v. G. H. Muntz (Torontos) for third and fourth, jeweiry.

The the Scotch curlers are being dined at their different stopping places as the they never will get a rest, they still think they can do best at twentyone ends. When they are not curling they are either feasting or sight-seeling, and they must have the stamina to stand the strain, or else they think they have.

they have.

Talk shout your loe boats going a mile a minute, but what do you think of the autoscooter? The highest apeed aver made over loe is the record of this new motor loe boat which is proving the sensation of the annual loe hoat carnival at Red Bank, N.J. The autoscooter has been matched this week with the fastest of the ordinary boats enisted for the carnival, and has passed them all like a rocket. On a measured trial last night it made more than sighty miles an hour. The autoscooter has an ordinary automobile chassis and a 50 horsepower engine. It is equipped with long steel skates in place of the front wheels and a cogged shoe on the rear wheels for propulsion. It is built very low and offers small resistance to the wind, Its owner believes that with a little more practice in its operation he will be able to make 100 miles an hour under ideal conditions.

VICTORIA HARBOR, Jan. 12.—In an Intermediate O. H. A. game here to-night, Victoria Harbor defeated Midiand by a score of 9 to 5. Midiand arrived here by special train, with a crowd of three hundred rooters, and full of confidence that they were going to have a picnic with the Harbor homebrews, but they were badly mistaken. The Harbor boys put up a stellar game, every man being in the game from the drope of the hat until the whistle blew for full-time. The supporters of the boys are proud of their team, they having won three games and lost none. Half-time score, 6 to 4. The line-up:
Victoria Harbor (9)—Goal, McMillan; point, Readman; cover, A. McKinnon; centre, M. McKinnon; rover, Macey; left wing, Lavoreau; right wing, Deviln.

Midland (3)*—Goal, Scott; point, Levigne; cover. Gould! centre, Beatty; rover, Chase; left wing, Nichols; right wing, Beatty. Were a Little Surprised. Referee-Gren Caldwell.

Toronto Hockey League. Toronto Hockey League.

In the opening game of the senior series of the Toronto Hockey League, at Excelsior Rink last night the O'Kwio'ernockinous easily outclassed the Athletics and won by a score of 5-0. In the final half the followers of the broken hammer loosened up and found the Athletics' fish traps for four tailles, while their opponents failed to put the rubber past Louis in the Knockinous goal. Winners were: Goal, Louis: point, Gordon: cover, Mc-Kinstry: centre, Glenny: rover, Myers; right wing, Miller: left wing, Perkins.

London Intermediates Win. LONDON, Jan. 12.—In an intermediate Ontario Hockey Association match tonight London defeated Drumbo 10 to 2. The half time score was 3 to 2.

Referee, Uncle Gross of Berlin.

Peterboro Wins the Opener.

BELLEVII.LE, Jan. 12.—The first intermediate hockey match of the season was played here to-night, when the Peterboro and Belleville teams crossed sticks. The result was a victory for Peterboro, who scored four goals whilse the local team was only able to locate the Peterboro net but once. In the first half Belleville scored their only goal and in the second half, by superior playing, the visitors scored four goals. It was an exceptionally clean game, but few players being penalized. Chaucer Elliott off Kingston was referee, fulfilling his dutles satisfactorily. The line-up was as follows:

Peterboro (4) Goal, Derocher: point.

Madoc Wins a Game.

EXCELSIOR RINK

Adjoining Lake Titicaca, in Peru, lie the ruins of a great city, whose origin was as much a matter of conjecture 900 years ago as it is to-day, according to the records of the Incas. The score walls of the largest buildings were of excellent workmanship and the gateways were elaborately carved. Evidence in abundance exists that the inhabitants were skilled masons. At present the nestion is cold and arid and entirely incapable of ripening cereals. It is inhabitated by a few hardy mountaineers. It is evident that the climate is entirely different from what it was when the plateau was the centre of a large population.

Mitchell Are Defeated.

MITCHELL, Jan. 12.—St. Mary's and Mitchell met on the local ice to-night for the first time this season in the Intermediate O. H. A. series, resulting in a victory for the visitors by the score of 10 to 4. In the first half the visiting team succeeded by three rushes and clever combination playing in piling up the score of 6 to 1, but in the second half the playing of the Mitchell forward line, ably supported by the backs, completely routed the St. Mary's team, and scored three goals in quick succession. The line-up was as follows:

St. Mary's (10): Goal, Weeks; point, Eoles: cover, Wilson; rover, Riddle: centre, Shultz; right, Stricker; left, Lee.

Athletic Union registration committee, several athletes were reported for competing on cards that had expired. James Duffy and R. A. Murray were suspended till they furnish explanations of their competing for clubs other than those with which they are registered.

The applications of Fred Young and Arthur Mandsiey for reinstatement were refused.

J. F. Powers, W. E. Gordon and W. O. Richardson sent in applications for reinstatement having been disqualified for playing with the Young Toronto Lacrosse Club after that club had been declared not in good standing. None were supported by any reasons for the removal of a penalty voluntarily incurred. Powers had once been reinstated and again disqualified himself, but offered no explanation of this. Gordon will be asked to substantiate his statement that he witndrew from the Young Torontos when they got into trouble, and Richardson, to explain his claim that he was not aware of the Young Torontos standing. John Rowe of Collingwood is required to make a declaration in the regular form in order to be requalified. He competed against Tom Longboat several years ago.

A card will be issued to Fred Harvey, Several local atheltes are under interesting of the committee.

ORIGIN OF TUMBLERS.

Originally a tumbler was far from what it is to-day, and its true mean-ing has been lost in the many graceful forms in which it is to be seen. What a "tumbler" really is may be inferred from an extract from a gentleman's diary, written in 1808, which also throws light upon the social customs of the times. The entry is as follows: "Had a few friends to dinner. Tried my new tumbling glasses. Very successful; all got drunk early." These tumbling glasses, soon called "tumblers" for short, were made with a round or pointed bottom, so that they could not be set down when they contained bottom. tained liquids, without falling over and spilling their contents. They were made as a sort of joke to conduce to

The Automobile Show.

The Toronto Motor-Cycle Club will have a prominent place at this year's automobile show in the armories, beginning Feb. 20. Last year's booth was the means of uniting to the club many members, and it is planned that the arrangements this year will be on a more elaborate scale, and afford more comfort and better results to the club. Practically all the local cycle dealers will have booths at the armories, and the entries will include several interesting noveities.
