Forty Newspapermen Record Proceedings and Teddy's "Interference" Becomes an Issue.

BOISE, Idaho, May 14.-With twelve jurymen in the box, four of whom e been passed for cause by both prosecution and the defence, and 74 talesmen yet to be called, the trial of Wm. D. Haywood, charged with the murder of former Governor Steunenberg, opened yesterday at 10 a.m. with every prospect of a completed jury before the end of the week. It is evident that the defense proposed to lay much stress thruout the case on what they allege to have been an interference on the part of President Roosevelt and of Secretary Taft.

The line of questioning invariably goes into President Roosevelt's "undesirable citizens" letter and into the speech delivered by Secretary Taft at Pocatello and Boise during the last guber-natorial election, in which Secretary Taft supported Governor Gooding and commended his attitude on what was then known as the "Moyer-Haywood-Pettibone case."

Hamilton Happenings

McCallum Appointment Confirmed -Conservative Club Holds Closing Dance.

HAMILTON, May 14.-(Special.)-This evening the city council amended the salaries bylaw so it will not stand in the way of increasing civic laborers' pay. Aldermen Peebles and Kennedy brought the matter up. Ald. H. G. Wright thought they should not bring the labor matter up in council, as it was keeping the city back. Ald. Farrer retorted that if it were not for the laborers' wealthy men like Ald. Wright rers' wealthy men like Ald. Wright

could not live.

The following committee was named to deal with the application of the laborers, who want an increase from 20 to 25 cents an hour: Aldermen Peebles, Kennedy, Allen, Sweeney, Baird, Clark and Dickson.

Ald. Farrer objected to the installa tion of a telephone in the assessment commissioner's house, but was over-ruled. He also objected to the action of the board of works in starting the work of laying an asphalt pavement on Merrick-street. It was agreed to serve notice that Trolley-street will be opened up. The appointment of A. F. Mc-Callum was confirmed. The four labor aldermen wanted the plumbing and painting contracts for the Home for Incurables laid over until the strike is settled, but were outvoted.

The Conservative Club held its clos-

ng dance for the season this evening. The police were notified to-day of the arrest in Galt of W. Farmer on the charge of stealing jewelry. The hospital governors this afternoon made two rates for semi-private patients of \$3.50 and \$4.90 a week. The landings of the fire escapes on the new wing of the hospital will be used in the

summertime for giving patients an airing. C. W. Tuck, Burlington, asked to be excused from paying a bill of \$20, claiming that his child had contracted scarlet fever in the hospital. Dr. Langrill disputed, but the governors wiped the account off. Mrs. George Roach's ffer to furnish the nurses' dining-

room was accepted.
