COAL FOUND NEAR SPOKANE

Threats of More Labor Troubles in British Columbia-Are the Rumors True?

LARGER B. C. PLACER CLAIMS.

Smelter for Vancouver Island-West Coast Mining-Sales of Mining Stocks.

Coal and oil have been found within eight miles of Spokane, Wash. Two thou-sand acres of land in that vicinity have been bought or leased by the Home Oil Company. Drilling has been contracted to begin the 1st of next August.

A Special Meeting. The special meeting of the Toronto Mining Exchange has been adjourned to March

Another B. C. Labor War. The Sandon, B.C., Paystreak says: The storm clouds of another labor struggle are gathering in Rossland. For many months gathering in Rossiand. For many months past the managements of the War Eagle, Centre Star and Le Roi properties have been quietly letting out Canadian and American miners and filling their places with Italians. These Italians are brought from the iron ranges of Minnesota and reach British Columbia under an agreement, for which it is impossible to prosecute the companies under the allen labor law. They are a very illiterate class, and few of them can talk English. As they live on the Dago plan, they are of no profit to the community, and Rossiand merchants resent their presence in the camp, as it can lead to nothing but ruination of their business. Labor men have been slow to assert themselves, hoping to gather the Italians into the unions, but last week the matter took a serious turn, when the superintendents of the War Eagle and Le Roi posted notices ordering the walking delegates of the Miners Union to keep off the properties. This order is a direct breach of the agreement which was made between the miners and the mine-owners at the time of the threatened strike, about 18 months ago, and it may lead to hostilities.

lead to hostilutes.

Smelter for Vancouver Island.

Victoria. B.C., Feb. 28.—Negotiations are going forward for the establishment of a big smelter on the Alberui Canal, west coast of Vancouver Island. The promoters of the enterprise are Puget Sound capitalists, who are expected in the city to day, when they will wait on Premier Dunsmuir with reference to procuring a supply of coke from him. The site has practically been selected, but will not be disclosed till all is finally arranged.

Mr. Nelll states that the site is a most advantageous one, that the smelter will means a big boom, for all the west coast, where now unable to ship to the Tacoma smelter, will easily do so to this one. The company will not ask a subsidy. There will be two important shippers to it, the Hayes and Monitor, who are now sending ore to Tacoma, while Clayoquor and other properties hitherto unable to ship will also take advantage of the facilities provided.

It is hoped that a spur will be built from Duncan, on the D. & N. Rallway (where the Lenora Tyhee mines are situated), to Alberni, thus bringing two more shippers immediately tributary to the enterprise.

Larger Placer Claims. Victoria, Feb. 28.—An important change in the placer mining law of British Columbia is foreshadowed by the announcement that it is the intention of the Government to introduce legislation increasing the intention of placer claims within the Province size of placer claims within the Province to 250 feet square, and do away also with a number of the vexations distinctions in the classification of such claims which have caused much annoyance in the past.

EAST END NOTES.

The funeral of the late Robert J. Booth, manager for many years of Poulton's Hall, took place yesterday afternoon, from his late residence, Poulton's Hall, to Norway Cemetery. Orient Lodge, of which deceased was tyler for a number of years, had ed was tyler for a number of years, had charge of the funeral. A large number of the A.O.U.W., of which deceased was a member, turned out and followed the remains to their last resting place. Rev. W. I. Baynes Reed officiated at the grave. The Executive of the Liberal-Conservative Association of Ward 1 will meet tonight to make arrangements for a meeting to be held on March 22, when an address will be delivered by W. H. Bennett, M.P. for East Simcoe.
Dr. B. E. McKenzie, B.A., superintendent of Orthopaedic Hospital, will deliver a lecture on "The House We Live In," in

Pape-avenue school next Friday night.
The lecture will be under the auspices of the Art League.

The Young Men's Liberal Club of Ward
1 held a meeting in Dingman's Hall last
night. The question of the confederation
of Newfoundland with the Dominion of
Canada was discussed before a large num-

On Tuesday evening, March 19, Orange L.O.L., No. 111, will hold their annual sup per in Poulton's Hall.

The condition of Mr. David Wagstaff is much improved, and the doctors hope to have him around again in a few days.

At the last meeting of the Quarterly Official Board of Simpson avenue Methodist Church, Rev. Newton Hill, the pastor, was

Laying for the Public. The days when the boarder will not be overcome by an egg that was laid by a overcome by an egg that was laid by a sick hen will soon be over, for is not Easter coming, for which festive season the hens work overtime, and this means fresh eggs, and not eggs that are too fresh, such as have been frequent since the new century began. This reminder of Easter also brings to mind the fact that your Easter trousers or new suit should be bought at Archambault's tailoring estab-lishment, 125 Yonge-street. Some of Mr. lishment, 125 Yonge-street. Some of Mr. Archambault's friends playfully call him a bad egg. but everyone admits that he is

Dr. Arnold's Catarrh Cure

It's for Chronic Coughs

T is for the relief and cure of troublesome coughs, bronchial affections, and chronic catarrhal conditions of the respiratory organs generally that

Petroleum With Hypophosphite's

has been the most widely and successfully used. It is equally good for the cough of chronic bronchitis with profuse expectoration; the dry, harsh, throat cough; the irritating cough of influenza, and for whooping cough and croupy coughs of children. To those who are subject to bronchial attacks it is an especial boon. The cough and breathing are made easier almost at once, the irritation in the throat and bronchial tubes is soothed, the character of the expectoration is altered, and a general improvement effected in all the symptoms. We have hundreds of reports from all parts of the world attesting its remarkable power to relieve and cure troublesome coughs.

Chronic Coughs and Congestion

Having used your valuable preparation, Angier's Petroleum Emulsion, for chronic coughs and colds, also for congestion of the lungs, at several different times, and having recommended the same to my customers with gratifying results, I take great pleasure in recommending this preparation to any-one suffering from a debilitated state of the system, or for a common cough or cold. Chas. W. Eggleston, Worcester, Mass.

Bronchitis and Whooping Cough

I have frequently prescribed Angier's Petroleum Emulsion, finding it an excellent adjunct in bronchitis, whooping cough and kindred affections. S. A. Kendall, M.D., Seattle, Wash.

Coughs and Colds

I find Angier's Petroleum Emulsion a fine remedy for coughs and colds. I think it has no equal; it is just something wonderful how it cures a person and builds him up. J. L. LAMBERT, New Orleans, La.

Throat Trouble

The object of this brief note is to return a thousand thanks for the speedy relief I have received from Angier's Petroleum Emulsion. I had been suffering for upwards of two years from a trouble of the throat, which, notwithstanding the treatment it had been rendered by the emulsion of cod-liver oil, remained uncured. At the request of one of your most zealous patrons, I determined to give Angier's Emulsion a trial. This trial has proven the virtue of your remedy. I feel greatly relieved and cannot more efficiently thank you than by recommending it to any who are thus troubled. R. UTTENWEILER, Toronto, Ont.

Colds in Head and Throat

I am decidedly pleased with Angier's Petroleum Emulsion. My son says it is the best preparation for colds of head and throat he has tried. I recommend it often. H. R. WALTON, M.D., Annapolis, Md.

Your druggist sells ANGIER'S PETROLEUM EMULSION. Insist on getting it. While it may be a trifle more costly than some substitute it is better than anything else, and worth many times the price asked for it. Two sizes, 50c. and \$1.00.

Send for our little book, " About Your Throat and Lungs." It is FREE.
