Delotelle Blanks Wolves On Five Hits in First 9--0. While Harper Turns in Seven-Frame Win 5--1 in Second-Listless Ball.

Both games were rather listless, not that the outfits didn't try, but because there wasn't an awful lot at stake. The merit of the afternoon's performance before a big Saturday browd was that Mr. Cook, who has been fairly successful on the mound against the London team, took to it first Saturday and received a heavy bombardment during his whole tenure there, fifteen solid swats registering for the Londoners on the quiet afternoon stillness of the ball yard. Twenty allowed but five hits to the Pack, but they came when he had the Wolves
