

MAY DELAY NAMING CAR COMMISSIONERS

Feeling Is That Question of Salaries Should First Be Settled.

MAYOR NOT A CANDIDATE

Further delay in the appointment of commissioners for the transportation board now seems probable, notwithstanding that members of council demanded at the last meeting that appointments be made before the adjournment for the summer holidays. The board of control will meet today for the first time in two weeks and a large amount of routine business has accumulated.

A member of the board of control said yesterday that it would not be fair to nominate candidates for the three commissioners until it is known whether council is prepared to pay salaries or not. Recent legislation gives the city the option of paying salaries to the commissioners or not. If this view of the matter prevails the first step will have to come from council, rather than from the board of control. Mayor has it that Mayor Church is now anxious to defer his appointments until August or September.

Next Monday's meeting of council will be the last regular meeting before the adjournment for vacation, and the plan seems to be to leave the matter of the transportation commission to be taken up by a special meeting. The mayor, if he so wishes, need not be in any hurry to call this special meeting.

A dozen names have been suggested for the commission and Mayor Church says he will have three names to propose, but has not made them known so far. He continues to declare that he is not an applicant for the position of chairman of the commission, but has not announced that he will not accept the position.

There is a widespread opinion that the mayor will accept if Controller Laguerre can get enough votes in the council to put him in the mayor's chair.

The board of control is likely to send to council today a new recommendation with regard to the transportation commission. The last meeting of council rejected the former recommendation that Mr. Harry Behrman be named as chairman, and appointed finance commissioner, and suggested to the board that he be named to the recommendation of ex-commissioner Bradshaw that Mr. George Ross be appointed.

Mayor Church announced last night that he would propose the names of three prominent business men of Toronto to the board of control for the three commissioners. He declared if the controllers failed to endorse the names of the men he proposed he would bring these names before the city council itself and fight the matter thru to a finish.

The mayor most emphatically denied that he had ever solicited a position himself as a commissioner.

He stated, further, that he will stay in his present position as mayor of Toronto until the end of the term for which he was elected. Then his future course would rest in the hands of the people.

**GERMAN WOMEN PROTEST
AGAINST COSTLY FOOD**

Berlin, June 29.—Food disturbances caused in the central markets here today and several arrests were made. A noon a large body of women gathered in the chancellery and vainly urged an interview with Chancellor Brüning, to protest against the high cost of food.

At Frankfurt there were additional disorders, and the windows of the stores were broken. The police dispersed the rioters by firing in the air. Five persons were killed in the riot at Hamburg, according to official report. During disturbances in Würzburg yesterday the troops fired, wounding several persons.

**MUGGLING OF OPIUM
TO CHINA INCREASING**

Amoy, China, June 28.—Two Americans, who are said to have been arrested themselves as big business men, are alleged to have been caught smuggling opium from Amoy to Manila.

Activity in the opium trade is increasing in spite of the government's position to it. It is reported here that military leaders are forcing natives to grow opium as a source of revenue for the officers.

**AISULI WILL OPPOSE
THE SPANISH ADVANCE**

London, June 30.—The bandit chief Aisuli, according to a Tangier dispatch to The London Times, has rejected the overtures of the Spanish authorities and has sent letters to the mountain tribes as far south as in Measa, in the Wasan district of Morocco, demanding that the tribesmen oppose the Spanish advance.

The tribesmen, apparently, the dispatch adds, are collecting for this purpose.

**RECK AT ALLANBURG
DEMOLISHES THE STATION**

St. Catharines, June 29.—A dragging beam on a fast moving Toronto freight train caused a serious accident on the Welland division of the Grand Trunk Railway at Allanburg this morning, tearing up over 50 ft of track, throwing 13 cars off the line, and completely demolishing the station. No person was injured.

When a girl marries for love, alone, these prosaic days, she has to pick up some really plausible explanation to offer her friends.
