TWO MILLION DOLLAR HOTEL WITH NO BAR

Fine New Structure Planned For Toronto in Defiance of Theory That Hotels Need Bar Business to Make Profits

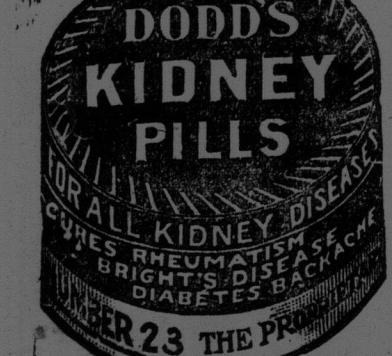

Toronto, July 21.—The contention that the government's temperance legislation will "kill" Toronto's tourist trade, as it is argued, tourists and conventions will not go to a city where there are no bars in the hotels, is about to receive a powerful contradiction, according to a well-founded rumor. This is no less than the effect that a party of capitalists, among whom are to be found prominent Toronto men, are completing plans for the erection of a magnificent hotel in the city which will equal in structure and appointment the Chateau Laurier at Ottawa or the Chateau Frontenac at Quebec.

The new structure will be designed for the express purpose of cultivating a first-class tourist trade. As the plans now stand, it will cost close on to two million dollars. The money, it is said, is already secured, and the success of the venture is as good as assured.

No provision is being made for a bar, according to well-informed sources. The possibility of a bar trade will not be taken into consideration in making the plans. As it will take some two years to erect the building and furnish it, it is felt that there is too much uncertainty regarding conditions at that time to count upon a bar trade.

NEWS OF BOY SCOUTS

"Once you are a scout you should always remain a scout." Such advice coming from the lips of one so great and noble as the late Lord Kitchener commands the attention of all. Not long before he went to his watery grave, he addressed a gathering of Boy Scouts when he made the above statement and said, always being a scout meant making oneself efficient, doing one's best, helping other people and serving one's country. "But," he said, "don't merely do

this while you are still a boy. Learn it when you are a man and make it a habit, so that when you are a grown up man you still keep on doing it, you still remain a scout by doing good turns, by doing your best, by doing your duty before all other things, by doing your duty even to death.

That the Boy Scouts of Manitoba are "good scouts" who strive to live up to the principles of the movement is fully attested in the places they have taken and are continuing to take in the public service of our country. Though not a military organization in any sense of the word, it is significant that out of seventy-three scouts, who at the outbreak of the war, were officers in the Winnipeg district, fifty-five are now on active service. Besides these officers eighty-nine of the other Scouts have joined the colors. On June 1st, the day of the Scoutmaster of the troop he wishes to belong to that he knows the Scout law, signs and salutes, the composition of the United Jack, the right way to fly it, and he must know how to do the several knots. He must give his promise to do his duty to God and the King, to help other people at all times and to obey the Scout law.

The Boy Scouts of England were by no means the last to send congratulations to Sir John Jellicoe after the recent big sea fight with the German navy. Immediately after the fight Sir Robert Baden-Powell sent a message to Sir John, congratulating him on the splendid victory gained by the fleet. The following reply was received: "Please convey to the Boy Scouts the sincere thanks of all ranks of the grand fleet, including brother Scouts, for their kind telegram."

M'Simpson is very fond of his wife, so much so that after a little tiff with her he went about looking very down in the mouth.
"Hello, old fellow!" exclaimed Jawskins, on seeing him, "what's worrying you?"
"My wife and I had an argument the day before yesterday," said M'Simpson, "and something I said offended her so much that she hasn't spoken to me since."
"I say," cried Jawskins, with cynical eagerness, "would you mind telling me what you said?"
"Two infants baptized at Driffield, Eng., have received the name of Vespa."

THE BIG LEAGUES

Great Game Between Tigers and Red Sox

Yankees Have Hard Luck

Washington Wins a Double-Header From Chicago; Alexander Shuts Out Cincinnati; Philadelphia Breaks Losing Streak

Penway Park must have been agog with excitement yesterday when the Tigers and Red Sox had a battle royal for thirteen innings.
Philadelphia at last broke its losing streak when Bush administered a coat of white wash to the Cleveland Indians. The Yankees must have a hoo-doo in their ranks, judging from the number of accidents to their star players. Baker, Gilhooly, Maise, Cullup, High, Caldwell are on the injured list and will be out of the game for some time. If the team can hold its own until they get back into the game it stands a good chance to win the pennant.

Washington stopped Chicago by taking a double header yesterday. The White Sox are being picked by many to win the championship.
Alexander pitched another shut-out game yesterday. If the Phillies had another pitcher in his class they would soon go out in front and remain there.

National League.

Each Took a Game.

Cincinnati, July 20.—Philadelphia and Cincinnati broke even in a double-header here today, the former taking the first game, 6 to 0, and the latter winning the second, 6 to 3. The score:
First game: Cincinnati, 6; Philadelphia, 0. R.H.E. Philadelphia, 000000000—6 9 0 Cincinnati, 000000000—0 2 1 Batteries—Alexander and Killifer, Toney, Mosley and Wingo.

Pitchers' Battle.

Chicago, July 20.—A hit batsman and a single by Zeider decided an airtight ten inning pitchers' battle between Hendrix and Schupp in the former's favor, 1 to 0. The score:
R.H.E. New York, 000000000—0 3 1 Chicago, 000000000—1 4 1 Batteries—Schupp and Rainford; Hendrix and Fischer.

St. Louis Won From Boston.

St. Louis, July 20.—Meadows kept his hitters scattered while team mates gathered five runs, which enabled St. Louis to defeat Boston today, 5 to 2. The score:
R.H.E. Boston, 200000000—2 7 0 St. Louis, 000000000—5 9 2 Batteries—Barnes, Hughes, Allen and Gowdy; Meadows and Gonzales.

Phillips Broke Blue Streak.

Philadelphia, July 20.—Philadelphia lost the first game, 4 to 2, but won the second, 4 to 2, breaking a losing streak which had reached nine straight by winning the second, 2 to 0. The score:
First game: Philadelphia, 4; St. Louis, 2. R.H.E. Philadelphia, 000000000—4 2 0 St. Louis, 000000000—2 1 1 Batteries—Beebe and O'Neill; Sheehan, Myers, and Meyer, Carroll.
Second game: Philadelphia, 4; St. Louis, 2. R.H.E. Philadelphia, 000000000—4 2 0 St. Louis, 000000000—2 1 1 Batteries—Lowdermilk, Cumble and Daly, O'Neill; Bush and Meyer.

Washington Dined on Double Header.

Washington, July 20.—Washington took both ends of a double-header from Chicago today, 4 to 3, and 2 to 1. The score:
First game: Washington, 4; Chicago, 3. R.H.E. Washington, 000000000—4 3 1 Chicago, 000000000—3 1 1 Batteries—Williams, Cicotte, Russell and Schalk; Roehling and Henry.
Second game: Washington, 2; Chicago, 1. R.H.E. Washington, 000000000—2 1 1 Chicago, 000000000—1 4 0 Batteries—Russell and Schalk; Harper and Henry.

Boston Defeated.

Boston, July 20.—The Tigers gained a 3 to 2 victory over Boston today, the game going 18 innings. The score:
R.H.E. Boston, 000000000000—3 11 2 Detroit, 000000000000—2 7 1 Batteries—Coveleskie and McKee; Baker; Foster, Ruth and Agnew.

St. Louis Won Over New York.

New York, July 20.—St. Louis defeated New York today by a score of 4 to 2. The score:
R.H.E. St. Louis, 000010000—4 112 New York, 000110000—2 6 1 Batteries—Groom and Severid; Markle, Mordidge and Nunnaker.

Yankees May Recall Shocker.

New York, July 19.—Nick Cullup, the Yankees' most successful pitcher, collapsed in the box yesterday in the game with Detroit after delivering a ball to Burns, and was led off the field. According to the club's physician he pulled a muscle under his ribs and will be out of the game ten days at least.

Manager Bill Donovan of the Yankees is more than having his share of trouble. With Cullup and Caldwell added to the injured list it would not be surprising if Bill recalled Shocker from the team.

Shocker has only one real rival for the pitching honors of the International in the person of the Baltimore, who has won 14 games and lost 5. Shocker's record up to date is 12 wins and 2 losses.

New York, July 19.—A double advantage will accrue to the Giants when Harry Sallee joins the team. He will not only win many games for them, but will be relieved of the task of batting against him in the future series with the Cardinals—and this means a lot to them.

Sallee has always been able to beat the Giants in a majority of the games he pitched against them, and they were always glad to get him. With him on their team they ought to have little to fear in games with the Cards. Among those who are delighted with the addition of Sallee to the Giants is Phil Peritt, who was "Slim's" room mate when both were with the Mount City team.

Montreal Downed Buffalo.

Buffalo, July 20.—Errors on the part of both teams was the notable feature in today's game between the Bisons and Royals, which was won by Montreal, 5 to 4. The score:
R.H.E. Montreal, 208000001—3 10 8 Buffalo, 010000001—4 10 4 Batteries—Fullenweider, Goodbrand and Madden; Tyson, Gaw and Onslow.

R.H.E. Richmond, 100000010—2 7 1 Providence, 000000000—8 2 0 Batteries—McKenney and Reynolds; Baumgartner and Blackburn.

Boys' Club Won From Victorians.

The Boys' Club added another scalp to their belt last evening, when they romped away with the Victorians in a baseball game to the tune of 10 to 9. The game was interesting and close throughout. The batteries were: Boys' Club—Parce and Kizer; Victorians—Moore and Pemberton. In the junior league, the Stars defeated the Maples by a overwhelming score of 11 to 2. Short and Cadet formed the battery for the Stars, and Mosher and Davidson for the Maples.

Mathewson May Not Leave Giants.

According to Latest Report

Chicago, July 20.—Pres. Hempstead of the New York National League club, who joined the team here on Wednesday said he expected later to discuss with Manager McGraw the possible purchase of Charles Herzog, manager and short stop of the Cincinnati club.

It is understood that the proposed Mathewson-Herzog deal was satisfactory to both Cincinnati and New York except for minor points involved which have resulted in a deadlock.

President Weegman of the Chicago Nationals who returned from Cincinnati on Wednesday intimated that a decision as to which of the clubs bidding for Herzog would get him probably would be made in a day or two in Cincinnati.

Cincinnati, July 20.—Chicago is fast forging ahead in the deal for the services of Charles Herzog, manager of Cincinnati club. President Weegman's offer of Outfielder Plack and \$25,000 is the most acceptable of any of these that have been made, according to President Hermann of the club. Hermann has decided to allow Hal Chase to manage the team for the remainder of the season and for this reason he does not want Mathewson.

Manager McGraw of the Giants is expected to arrive here Thursday and present a new offer. President Weegman of the Brooklyn club arrived here Wednesday and conferred with Mr. Hermann. It was said that he made an offer to Herzog which was refused.

Herzog is willing to go with either New York or Chicago, it is said, both teams having offered him near the same amount. According to Herzog, the Weegman offer was \$10,000 a year, the amount he is now receiving, and a bonus of \$50,000 for signing the contract.

John Emmerson, New Star Introduced to St. John in a Wonder Picture

Greatest Bill Gem Has Yet Offered!

Gripping detective story built around invention of a flying torpedo of tremendous power. Its fearful demonstration of what war would mean if it came to this continent. A powerful lesson in preparedness. It is IMMENSE in conception and action. Only two other pictures ever made equal it. One is "The Birth of a Nation" and this is supervised by the man who made that wonder—D. W. Griffith.

Experts say on ly two other pictures equal this. One is "The Birth of a Nation." So you may judge how big a production is "The Flying Torpedo."

Chicago Minister Tells of the Feeling Existing in His Congregation; Attitude is General

(Toronto Mail and Empire.)

Rev. Dr. Covert, pastor of the First Presbyterian church, Chicago, who is spending the summer at Muskoka, is a member of the Deer Park Presbyterian church for the next six weeks.

Before delivering a powerful sermon yesterday morning he made the following statement:
"Before I announce my text to you, permit me to say I deeply appreciate the honor of being invited to the pulpit of the Deer Park Presbyterian church, and also I wish to say I bring to you the greetings of the old First Presbyterian church of Chicago, organized in that part of Fort Dearborn before the city was organized, and that the elders of that church at their last meeting agreed to follow with prayer the message which I am permitted to deliver here from Sunday to Sunday for the next few weeks."

"From recent interviews with thoughtful men and women of Canada I have felt some regarded with suspicion the attitude of the United States towards the struggle in which your wonderful country is now engaged."

"I wish to state I owe it to the thinking people of the United States to say what I can, as earnestly as I can, to assure you, our courageous and self-sacrificing neighbors, that our deepest sympathy and prayers are with you."

"In my congregation of more than fifteen hundred people I do not know of a single person who is not sympathetic towards the great cause of the Dominion of Canada for which she is so courageously fighting her life and soul."

"I do not know one that is not feeling, honestly feeling, that the cause of liberty and Christian civilization rests with the victory of the allies."

"One-third of all relief to the poor of devastated Northern France came from the city of Chicago alone, and it was only in April that the Jews of Chicago rated \$500,000 towards the relief of the poor of Poland, so you have our personal sympathy in this great trouble."
