REBUILT WEST SIDE CITY HALL

Council Votes Bond Issue; Cost \$57,876 Without Equipment

No Appeal to Privy Council in Donald Case—Health Centre

The city council decided yesterday afternoon to complete the restoration of Carleton City Hall and authorized a bond issue of \$57,876 to pay for the work. With the amount authorized yesterday afternoon and the contract price for the work already under way by Stackhouse Brothers the total cost of the work, exclusive of furniture and equipment, will be \$57,876.88. It was also decided to approve the bill being presented by Taylor and White for a fixed valuation of \$5,000 on their property, West Saint John, for 10 years. Commissioner Harding brought up the matter of completing the restoration of the Carleton City Hall. He moved that the tenders of Stackhouse Brothers to complete the structural work for \$25,775; of W. E. Emerson & Son for the plumbing and heating, \$9,897; and R. S. Duffin, electric wiring, \$2,085.88, be accepted and that H. C. Moit be paid \$2,500 for payment of these amounts to be made by \$2,500 cash on hand and a bond issue of \$37,600.99. This was seconded by Commissioner Wigmore and carried unanimously.

The setting commissioner of finance and public affairs recommended payments of the following departmental accounts for February: Public safety, \$1,256.93; public works, \$1,338.14; water and sewerage, \$1,424.44; harbors, ferries and public lands, \$2,015.45; treasury, \$418.38; and reported payments for the month amounting to \$153,916.72. Adopted.

The Department of Agriculture wrote that if the city insisted on collecting the license fee from the cargo inspectors, sent here by the department, they would have to seriously consider dropping this service at this port. The communication was filed.

ADDED TO PAY ROLL

On motion of Commissioner Frink, S. H. Patchell, after four years' temporary service, was added to the official pay roll at \$1,200 a year. He is in the Chamberlain's office.

Commissioner Frink said it would be necessary for the public works department to curtail this year and he proposed to reduce to 225 tons and the tender of the Imperial Oil Company was accepted if they agreed to the reduction from 300 to 225 tons.

On recommendation of the chairman of the Board of Assessors, James Leary, commissioner for Stanley ward, was voted \$190 to cover services to date.

On motion of Commissioner Wigmore, the Health Centre was granted a tag day between the first and ninth of October, 1926.

An application of Tip Top Tailors for permission to erect a sign at the corner of Charlotte and Union streets was referred to the commissioner of public works, city engineer and city electrician, with power to act.

DECIDE AGAINST APPEALING

On motion of Commissioner Wigmore, seconded by Commissioner Frink, it was decided not to carry the appeal in the case of Donald vs. the City of Saint John to the Privy Council. Acting Mayor Frink voted against the motion.

On motion of Commissioner Bullock a lot of land in Fairville, now under lease to Andrew H. Rourke, was sold to him for \$200.

Pleasing Lecture

At Knox Church

Rev. Dr. R. M. Stevenson, of Moncton, missionary and explorer and cousin of Robert Louis Stevenson, addressed the Women's Missionary Society of Knox church at their annual thank offering meeting last evening. Dr. Stevenson gave a most interesting account of Presbyterianism and the Scotch Covenanter, telling of the history and the persecution which the Covenanters had to endure.

Mrs. R. A. Sewell, president of the society, was in the chair. Solos were sung by Miss Florence Dunham, Douglas Thorne and Harry Shaw. Miss C. Wilson was accompanist. The offering amounted to more than \$81. Rev. W. M. Townsend led the devotional exercises and Rev. F. J. McIntyre pronounced the benediction.

TURN HAIR DARK WITH SAGE TEA

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color which is quite sensible, as we are living in an age when youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, for only 75 cents. It is improved by the addition of other ingredients, and is called "Wyeth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully coloring the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive.

Communist Protest

Woolen Mills In New Hampshire Speed Up

MANCHESTER, N. H., March 3.—The mills of the Cochequo Woolen Manufacturing Company at East Rye, N. H., will be operated on a 56-hour week schedule this week, the management has announced.

For several months this concern, due to lack of orders, has been running on a greatly curtailed schedule and only two months ago increased operations to approximately 28 per cent of capacity.

ROBS LUNCH ROOM WITH FAKE PISTOL

Youth Seizes Proprietor and Gets \$12, is Captured After Chase

NEW YORK, March 3.—While George Topatis was alone in his lunch room at 392 West 118th street—a young man came in and asked for a piece of pie and a cup of coffee. As Topatis started to serve him the newcomer whipped out a pistol.

"That thing he held in his hand," said Topatis afterward, "looked pretty bad to me, so I put up my hands."

The robber took \$12 from the cash register and, warning Topatis not to follow, ran out. Topatis jumped to the door and shouted as the robber sped down the street. Patrolman Harry Hagstrand, who was passing in an auto, heard the shout and saw a fleeing man. He pursued and captured the fugitive.

On searching the prisoner, who said he was John Collins, the patrolman said he found the pistol. But when he and Topatis examined it carefully they found that it was only an excellent wooden imitation of a weapon.

"And to think I gave up my dough because of that," said Topatis, looking at the imitation.

Deaths

C. Victor Vincent

Many in Saint John and elsewhere throughout the province will hear with regret of the death of Charles Victor Vincent, which occurred yesterday at his home in Richmond street.

Mr. Vincent had been a conductor on the C.P.R. for several years. He met with an accident while riding some 11 years ago which resulted in the amputation of one of his legs.

Later he was gassed at the Bentley street crossing. He was compelled to retire again in April last.

Don't Neglect The Children's Coughs and Colds

Mrs. Wm. W. Carl, Baneroff, Ont., writes: "Last winter my three children had very bad colds, and they would cough all night long, which was very annoying to the rest of the family."

I could get nothing to help them until one night, a friend who was staying with me, advised me to give them

Dr. Wood's Norway Pine Syrup

"I immediately got some, and after I had used four bottles of it my children became quite well again, thanks to Dr. Wood's Norway Pine Syrup."

Be Careful What You Wash Your Child's Hair With

If you want to keep your children's hair in good condition, be careful what you wash it with.

Do not use prepared shampoos or anything else that contains too much free alkali. This dries the scalp, makes the hair brittle, and is very harmful.

Mulsified coconut oil shampoo (which is pure and entirely greaseless) is much better than anything else you can use for shampooing, as this can not possibly injure the hair.

Simply moisten the hair with water and rub it in. Two or three teaspoonfuls of Mulsified will make an abundance of rich, creamy lather, and cleanse the hair and scalp thoroughly. The lather rinses off easily, and removes every particle of dirt, dandruff and excess oil. It leaves the hair quickly and evenly, and it makes it fine and silky, bright, fluffy, wavy, and easy to manage.

You can get Mulsified coconut oil shampoo at any drug store. It is inexpensive, and a few ounces will last for months. Be sure your druggist gives you Mulsified. Beware of imitations. Look for the name Watkins on the package.

Wants Mother Sent to Prison; Court Refuses and Scores Son

NEW YORK, March 2.—John Nichols, a young chauffeur, came before Magistrate Charles A. Overberger in the West Side Court yesterday to ask that his mother, Mrs. Adeline Nichols, be sent away for 30 days for habitual intoxication. Nichols had had his mother arrested in an apartment in West Fifty-eighth street.

Mrs. Nichols, 45 years old and the mother of 12 other children, besides John, was in tears and pleading for another chance. She had spent the night in a cell in the West Thirtieth Street Station. She never had been in trouble before. The magistrate advised Nichols to give his mother another opportunity. The chauffeur refused.

"Young man," said Magistrate Overberger, "do you ever read the Bible?" Nichols said that he did, now and then; that he did not own one, but had money to buy one.

"Well," counseled the court, "I advise you to get one and to read the Decalogue in passage 4, where it tells you to honor your father and your mother, and I advise you, young man, to read, ponder and obey that commandment. Now, won't you give your mother another chance?"
