

ONE DEAD AND MANY INJURED IN RAIL CRASH

**Boston Express Hits Freight
and Demolishes Signal
Tower**

BOSTON, May 26.—One man was killed and many injured, six seriously, when the "Owl" night express running from Boston to New York over the New York, New Haven & Hartford railroad crashed into a freight train in the dark early yesterday at a crossing at Mansfield. The express locomotive tossed the last car of the freight train into the air. The car struck a signal tower, which collapsed and burst into flames. George Morse, the signalman, was thrown clear of the wreck, picked himself up and ran a quarter of a mile to telephone for aid. Scores of passengers on the express were thrown from their berths, and many were bruised, few requiring surgical aid. John Durely, engineer of the express, died of injuries soon after the crash. George Hughes, brakeman of the freight, and several others are in a serious condition.

REFEREE IS BOMBED

**Spectators Show Resentment
When Foul is Called on
Joe Glick**

NEW YORK, May 26.—Several missiles were hurled by spectators when Referee Jack O'Sullivan called a foul on Joe Glick, of Brooklyn, in the sixth round of a 10-round match at the Queensboro Stadium last night. No one was injured. Glick had been warned several times for hitting low before the referee declared Carl Duane, New York featherweight, the winner. Bushy Graham, of Utica, won from Dominic Petrone, of New York, in the tenth round, when the latter, who had suffered a dislocated shoulder in a nine-round mix-up, was declared by the referee to be unable to continue. Meyer Cohen, Holyoke, won from Sergeant Sammy Baker, Mitchell Field, on a foul in the third round of a 10-round match.

B. C. INDIAN IS HELD

**Police Investigating Finding of
Body of 22-Year Old
Teacher**

PRINCE RUPERT, B. C., May 26.—Belief that Loretta Chisholm, 22-year-old school teacher, found dead on a trail Monday near the town of Port Kootenay, was murdered, is becoming firmly established as further details of the tragedy are learned. A half-breed Indian has been placed under arrest at Essington in connection with the girl's death, following the findings of moss stuffed in the dead girl's mouth. The trail near which the body was found, was a favorite walk of Miss Chisholm, and this was generally known.
