We have put up and sold this article for over ten years and can say, in confidence and truth of it what we have never been able to, of any other medigine—never has it falled on a single instance to offect a curve when timely used. Never did we know an instance of dissatisfaction by any one who used it. On theseontrary, all are delighted with its operations, and speak in terms of commendation of its magical effect and medical virtues. We speak in this matter, what we do know, after ten years experience, and pledge our reputation. ten years experience, and pledge our reputation for the fulfillment of what we here declare. Means, SZERI W. FOWLE & CO., — Gents. I was, for many years, a great sufferer from DYSPEPSIA or WATELERASH, and tried almost everything within my reach, but to no benefit, until I was induced by the reacommendation of my physician, Dr. Huzelton, to make use of the OXYCENATED BITTERS. The first hootle myduced but a slight information in the disease, and had produced but a slight alteration in the disoner, and bed it not been for the urgent request of my physician should then have discontinued their use, thinking these to be of no avail ; but his confidence inst to be of no avail; but his conficence inspired me to periovers, and after using to the extended chapt's depiction. I had entirely regained my health. I hope aft dyspeptic persons will be induced to give them a fair trial, borng confident that this remedy is the most partial, the property of the confidence of DYSPEPSIA, that has be a second confidence of the confidence of DYSPEPSIA, that has be a second confidence of the co
