RADIOACTIVE MINE DETECTOR

1. Attached herewith is a copy of answer received from US Forces regarding the Radioactive Mine Detector on which you requested return. We are also enclosing a copy of our answering cable SDW 1442 in order that we might be able to tell you as quickly as possible whether the detector has been removed from France to the United States.

2. We requested the return of this equipment in August, and a check of the file gives no indication that an answer was received.

3. Efforts will be continued to have this equipment despatched to you at the earliest and you will be kept informed.
