Secretary Root immediately notified the embassy officials who have cabled to England for instructions. PUGILIST'S DEATH. Fargo, N. D., Dec. 25.—A coroner's jury to-day relieved the minds of sev- eral prominent men by finding that Calvin Good, of Columbus, a 'negro pugilist who died recently after a knockout at the hands of James Gaines, before a social meeting of the Elks' lodge, would have soon died of pneu- monia anyway. Among those at the ringside were LieutGovernor Lewis and States Attorney Barnett. A post- morten examination showed that his lungs were congested and his demise was hastened by violent exercise. The coroner's jury returned a verdict to that effect and attached no blame to	SNOW ON VESUVIUS. Naples, Dec. 26.—T're summit of Mount Vesuvius is covered with snow to-day, producing a picturesque effect. Snow has also filled cracks in the vol- cano resulting from the recent erup- tion, and it is feared that when it melts and reaches the region of fire new eruptions will occur. BOMB EXPLOSION. Dropped by Unknown Traveller in Rail- way Station—Two Passengers Killed. Kharkov, Russia, Dec. 27.—An unknown traveller dropped a bomb in the railway station here last evening upon alighting from an incoming train. Two passengers were killed and many were wounded by the explosion.	Halifax, Dec. 21 Empress of Ireland evening with the Bri hundred passengers, washed over the vo- behaved splendidly. SHOT HIS STEP-FATHER. Cincinnati, Ohio, Dec. 26With money he had saved to give his mother a Christ- mas gift, Henry Siebele, 16 years oud, bought a revolver with which he shot and fatally wounded his step-father, Henry Brinker, 44 years old, yesterday. Accord- ing to the boy, his step-father had threatened to kill his mother, and he bought the revolver to protect her . Yes- terday Brinker attacked his wife with a hatchet, and the boy pulled the revolver from his pocket and fired five shots. Three of the bullets entered the man's chest just below the heart, and two en- tered his neck below the chin. The boy was arrested. An oil lamp is not butning well when	and elevator men, particularly in North Dakota, by reason of their failure to obtain cars to move wheat and flax. Commisisoner Lane to-day received a letter, which is a sample of many from Cheyenne, in which it was stated that on November 26th a car was billed from that point, and that on December 17th the car was still on the side track, and a freight train had not passed up or down for weeks. A report made by the immigration commissioner states that the coal fam- ine in Western Wyoming, south and southeast, is due to a shortage in mo- tive power and cars.
