YOU CANNOT HIDE. (By Fanny Rogers White) The world is full of suns line, Is full and running over;

It shines in all the cities. It shines in fields of clover. You may hide away in the darkest Away from the blue of the sky;

But you may be sure a sunbeam Will find you by-and-by. In life there are days of darkness, When the sun seems to hide its face; But if you creep out of the shadows You will find the sun in its place. Then why so much complaining? And why do we mourn and sigh? There never was yet a teardrop

The sunshine could not dry.

FIGURE THREE IN HER LIFE.

Unusual Things About 92 Year Old Alarmed at U. S. Proposition to Admit Woman Who Lives In Brooklyn.

New York, from East Chester, her na- city yesterday and, speaking of more or less last year than the year years oid, and her eldest daughter 73, the millers would have to pay higher

they did when they led an idle life in their cells. It is not supposed that a prisoner who has worked a month in the park will always be an exemplary citizen thereafter. He may, as Councillor Christie says, beat his wife when he is set free. But at least he has been well and usefully employed during his orous shake of the head.

**Self," Mrs. Blank told a visitor from the Eagle. "If there's any luck in 3's inferior article and label the inferior article and lab

OYSTER AS A RAT TRAP.

Greenport Rodent Met Death as Result of Bivalve's Grip.

GREENPOINT, L. J. Jan. 18.-A local fisherman tells a story of how an The Glasgow Chamber of Commerce made a call at the fisherman's place endorses Mr. Chamberlain's preferen- and attempted to carry off some of the oysters which had been left in a basket the floor. In some way its tail came into a position where the end of it stuck in the open shell of an oyster. The oyster shells closed like a steel trap. The rat made a hasty retreat for into the shop his attention was attracted by a struggling sound. The oyster from the district was less last year had been too large to pass through the rathole and the rat was firmly held by the relentlessly closed shells of the bivalve. The rat was vicious, and appeared ready to fight, even with the additional handicap of the oyster, but he was soon dispatched with the handle of a clam hoe.

YORK CO. COUNCIL.
