## New York, March 8.—It was announced here that another fight between Wolgast, lightweight champion, and "Knockout" Brown of New York, will probably be staged in California within the next three months. In view of the excellent work of Brown against the champion in their recent engagements in Philadelphia and New York, a finish fight is looked upon as a proposition likely to attract widespread interest. Tom Jones, manager for Wolgast, is now on his way to Los Angeles, to close arrangements for the battle with Brown. POP Small, one of New Brunswick WILL LEAVE FOR SOUTH

(Fredericton Gleaner.)

Pop Small, one of New Brunswick's best known ball players, expects to leave within a comparatively few weeks for Williamsport, Pa., where he is to have a try out with the Tri-State League club. Last year he was with the Eric club in the Pennsylvania State league and his showing was good enough to attract the Tri-State league managers. Small is a present at Harvey Station where he is stationed as telegraph operator on the C.P.R. Fredericton people saw him there yesterday and he stated at the Queens rink Saturday night when the St. Johns will meet the champlons of the Nova Scotia amateur league and a very fast team. There will be a novelty race at the Victoria rink this evening which should prove of considerable interest, as the like has never been seen here before. It will be a team race with one man of the team skating backwards while holding on to the hands of his mate. Longley and Garnett will race against Barr and Cunningham. A band will be in attendance and furnish music.

#### HOW THEY LOOK UPON **PEASLEY**

The Detroit correspondent of Sporting News notes the arrival of Pitcher Marvin Peasley, who was with Woodstock last year, as follows:

"Marvin Peasley, the giant Mainer recruit, and Ralph Works, not a midget by any means, two young twiffers who are expected to make good this year, came under the inspection of Mr. Sugden. He was highly impressed with the young athletes and Mr. Peasley made an additional hit with his breadth of shoulders.

Peasley found his way into Detroit last Thursday and was the first of the Tiger kits to arrive. Peasley came direct from his home in the wilds of New Brunswick, where he has been keeping in shape all winter, heaving snowballs at the wild denizens of the forest. Peasley admits to the proverbial two deer permitted any licensed hunter in the Maine woods, and didn't bring back a single story of one that got away.

"Peasley can look forward with
