GREEKS TAKE TWO OF HOULTON-- THE HOLIDAY CAPITALS DEFEAT WOODSTOCK

Continued from page two.
visitors scored this with good support he pulled out of bad places. The locals made only two errors and both were of an excusable variety, although both counted in the scoring. Galey drew three bases on balls, stole second each time and scored twice. With Keane he pulled off the double steal on O'Donnell. Keane scoring. Johnny Murray got badly spiked in the knee by King in the seventh, when a Woodstock player attempted to get home on an infield hit. Murray blocked King off the plate and got his man, but had to quit the game. Duff and the umpire had their run in over a ball which the Woodstock captain hit to the left field. The ball was in the air and the umpire called a foul, but the player thought it was a fair, and ran up and grabbed the umpire, shook him and got chased out of the game. The rowdy ball pulled off by the players and tolerated if not encouraged by Manager McLaughlin, is largely responsible for the Woodstock club's slide on the toboggan to last place.

Summary:

Woodstock at Frederickton. Two

base hits, Hoyt, O'Donnell, Coney;

three base hits, L. Conley, King;

O'Donnell; homerun, Black; sacrifice

hits, Keane, King, Coney, McLaughlin; sacrifice fly, Duff; stolen

bases, Keane (3), Galey (3), Dugan,

Murray, Conroy, Corcoran; double plays,

Duggan to Fitzgerald, Burroughs to

King; struck out by Brown 5, by

McLaughlin 2; bases on balls, off

Brown 1, off McLaughlin 5; left on

base, Frederickton 3, Woodstock 1.

Time—1 hour 55 minutes. Umpire,

Duffy.

Houlton, Me., July 4.—Thousands

of visitors were here today to aid

in the celebration of the glorious fourth

and despite the fact that it was one

of the warmest days in the history

of this place there were only a few

precipitations and none of them was

outwardly a breath of wind and the

thermometer registering 98 in the

shade, it was anything but comfort-

able in getting about town.

The morning was taken up with

parades, band concerts and a base-

ball game. The afternoon, which

event was the opening of the new

\$50,000 park which is rated as one of

the best in the eastern states and in

addition to a fast half mile track

there is a skinned baseball diamond

in the centre and spectators can

witness horse racing and baseball for

the one admission. The St. John Mara-

thons won the two games from Houlton. There was over a thousand people at the morning game which was won by a score of five to two. In the afternoon there was in the vicinity of six thousand people present and were as much interested in the ball game as they were in the horse racing. The St. John team were again the winners this time by a score of seven to three.

MORNING GAME.

The Marathons made their first run

in the second inning when after two

men were out McGovern and Riley

banged out a two base hit each which

resulted in the run.

In this inning a single and a three

base hit gave Houlton a run and then

on error of Dutton on Brown gave the

home team their second and last run.

In the fifth inning two errors, a sacri-

fice hit, a two bagger and a three base

hit gave the Marathons four runs.

There was no more scoring in the

remaining innings. The following is

the score and summary:

base on errors, Marathons 1, Houl-

ton 1. Umpire, Willy. Time of

game, one hour, 50 minutes. Atten-

dance, 1,200.

AFTERNOON GAME.

The afternoon game was all Mara-

thons. In the third inning three single-

two errors a sacrifice fly and a two

base hit by Sweet netted three runs

for the Marathons.

In the fifth inning an error and two

singles filled the bases for the Greeks

and a three bagger by Pinkerton drove

two more runs. In this inning a

double error of Fraser allowed Fredette to reach third and he scored on an error of Williams.

In the sixth inning Houlton with

two singles and a two bagger gained

two more runs.

Heavy hitting by the Greeks in the

eighth and ninth innings gave the

visitors two more runs. The follow-

ing is the score and summary:

DEATH RATE IN CITY TAKES A BIG SLUMP

Only Fifty-two in June Against Much Larger Number for Month Last Year—Health Report.

The June health bulletin by Dr. G. G. Melvin, medical health officer, is as follows:

The following cases of contagious disease were reported from the city during June. As has been the case for some months back, the city remains very free from acute notifiable contagious disease. The table exhibits the figures for the month, with those of last month and corresponding month of last year added for comparison:

June 1912 1911 1910

Diphtheria..... 0 2 10

Scarlet Fever..... 5 3 1

Typhoid..... 2 2 2

Measles..... 0 0 0

Whooping Cough..... 1 0 0

Tuberculosis..... 8 14 13

The usual monthly table of deaths from all causes follows. It will be noted that the death rate shows a large drop from that of last month, and is very considerably under the corresponding month of last year. It is based upon an estimated population of 42,696.

Vaccination.

Most diseases can not be provided against except by ordinary careful living and trying to keep in good health, and even then we often fall victims to them. Smallpox is an exception to this rule. We can, almost certainly, so fortify ourselves against it that even constant and very close contact with it, need give us little concern.

A great doctor found this out in the 18th century, and since then smallpox instead of being one of the most universal and destructive of all diseases, has come to be one of the least.
